- Grant length is 3 years.
- Grantees are required to maintain all positions for an additional 12 months after the end of the grant period.

COPS HIRING GRANT REQUIREMENTS

 - Community partnerships and support, including related governmental and community initiatives that complement a recipients proposed use of funding
 - Organizational transformation – how the recipient will use the funds to reorient its mission to community policing or enhance its involvement in and commitment to community policy.

OUR PROBLEM/NEED

- Calls for service when people are experiencing mental health crisis and calls for service involving people experiencing homelessness in Longview have increased workload for patrol officers.
- These type of calls often require a multiple officer response and take time to de-escalate the situation.
- Patrol officer staffing levels (1 supervisor and 4 officers) have not changed since 1980. Calls for service from 1980 to 2018 have increased 53.5%.
- Calls involving people in crisis or experiencing homelessness require a higher level of training, more officer time to problem solve the multitude of needs these individuals have and coordination with community partners.
- We do not have sufficient patrol staffing to handle the volume of crisis/complex calls occurring in our city.

COPS Hiring Program (CHP) (CFDA 16.710) Overview

COPS Hiring Program (CHP) description and federal award information

This program is authorized under the Omnibus Crime Control and Safe Streets Act of 1968 as amended and the Violent Crime Control and Law Enforcement Act of 1994, Title I, Part Q, Public Law 103-322, 34 U.S.C. § 10381 et seq.

The COPS Hiring Program (CHP) provides funding directly to law enforcement agencies to hire and/or rehire career law enforcement officers in an effort to increase their community policing capacity and crime prevention efforts.

The COPS Office anticipates making an estimated 500 CHP awards for a total of approximately \$400 million. All awards are subject to the availability of funds. The COPS Office may elect to fund applications submitted under the FY 2020 CHP solicitation in future fiscal years, dependent on, among other considerations, the merit of the applications and on the availability of appropriations.

2020 CHP awards will cover up to 75 percent of the approved entry-level salary and fringe benefits of each newly hired and/or rehired full-time sworn career law enforcement officer over the three-year (36-month) award period, with a minimum 25 percent local cash match requirement and maximum federal share of \$125,000 per officer position. CHP award funding will be based on your agency's current entry-level salary and fringe benefits for full-time sworn officers. Any additional costs for higher than entry-level salaries and fringe benefits will be the responsibility of the recipient agency. In FY 2020, agencies may request the number of officer positions necessary to support their proposed community policing strategy. Please keep in mind that there is a minimum 25 percent local cash match and a 12-month retention requirement for each officer position funded. The COPS Office will fund as many positions as possible for successful applicants; however, the number of officer positions requested by an agency may be reduced based on the availability of funding and other programmatic considerations.

Funding under this program may be used to do the following:

- Hire new officers, which includes filling existing officer vacancies that are no longer funded in your agency's budget. These positions must be in addition to your current budgeted (funded) level of sworn officer positions, and the officers must be hired on or after the official award start date as it is listed on your agency's award document.
- Rehire officers laid off by any jurisdiction as a result of state, local, or Bureau of Indian Affairs (BIA) budget reductions. The rehired officers must be rehired on or after the official award start date as it appears on your agency's award document. Documentation must be maintained showing the date(s) that the positions were laid off and rehired.
- Rehire officers who are (at the time of application) currently scheduled to be laid off by your jurisdiction on a specific future date as a result of state, local, or BIA budget reductions. Recipients will be required to continue funding the positions with local funding until the date(s) of the scheduled layoffs. The dates of the scheduled layoffs and the number of positions affected must be identified in the CHP application. In addition, documentation must be maintained detailing the dates and reason(s) for the layoffs. Furthermore, agencies awarded will be required to maintain documentation that demonstrates that the scheduled layoffs are occurring for local economic reasons unrelated to the availability of CHP award funds; such documentation may include local council meeting minutes, memoranda, notices, or orders discussing the layoffs, budget documents ordering jurisdiction-wide budget reductions, and/or notices provided to the individual officers regarding the layoffs.

An applicant may request funding in one or more of the above-referenced hiring categories under CHP. CHP award will be made for officer positions requested in each of these three categories, and recipients of CHP awards are required to use awarded funds for the specific categories awarded. If your agency receives a CHP award and after receiving the award your agency needs to change one or more of the funded hiring categories it received funding under, your agency must request a post-award modification and must receive prior approval before spending CHP funding. To obtain information on modifying a CHP award, please contact the COPS Office Response Center at 800-421-6770.

An applicant may not reduce its existing current fiscal year budget for sworn officers just to take advantage of the CHP award. Any budget cut must be unrelated to the receipt of CHP award funds to avoid a violation of the COPS Office statutory nonsupplanting requirement.

Registration

All FY 2020 CHP applicants are required to have a valid ORI number. The ORI number is assigned by the Federal Bureau of Investigation (FBI) and is your agency's unique identifier. Please contact the COPS Office Response Center at 800-421-6770 to verify your agency's ORI number. If you do not have an ORI number, a COPS Office Response Center Specialist will assign one to you for the purpose of tracking your award application. This is required before you begin your application on Grants.gov.

In addition, the Federal Government requires that all applicants for federal awards—with the exception of individuals other than sole proprietors—have a Data Universal Numbering System (DUNS) number and be registered in the System for Award Management (SAM) database prior to submitting an application. See "section 3: General agency information" on page 38 of this guide for more information regarding DUNS and SAM.

Completing an application under the CHP program is a two-step process. Applicants are first required to register via www.grants.gov and complete an SF-424, the government-wide standard application form for federal assistance. Once you have registered and submitted your SF-424 through Grants.gov, you will receive an email from the COPS Office within one business day with instructions on completing the second part of the COPS Hiring Program application process, which is the COPS Office Application Attachment to the SF-424 through the COPS Office Online Application System. If you have not renewed your COPS Office Account Access information, contact the COPS Office Response Center at AskCopsRC@usdoj.gov or 800-421-6770.

It is strongly recommended that applicants register immediately on www.grants.gov. In addition, applicants are strongly encouraged to complete the SF-424 and section 1 on Grants.gov as quickly as possible. Any delays in registering with Grants.gov or submitting the SF-424 may result in insufficient time for processing your application through Grants.gov or the COPS Office Online Application System.

For technical assistance with submitting the SF-424, call Grants.gov Customer Service Hotline at 800-518-4726, email support@grants.gov, or consult the Grants.gov Applicant User Guide at https://www.grants.gov/help/html/help/Get_Started/Get_Started.htm. See "How to Apply/Application Submission" on page 13 of this guide for more information.

For technical assistance with submitting the online application via the COPS Office website, please call 800-421-6770 or send questions via email to AskCopsRC@usdoj.gov. See "How to Apply/Application Submission" on page 13 of this guide for more information.

Deadline: Application

All completed applications must be submitted by **March 11, 2020 at 7:59 p.m. EDT**. Please see “How to Apply/Application Submission” for more information.

Applications for this program must be submitted in two parts. First, applicants must apply online via www.grants.gov to complete the SF-424. Applicants will then be directed to the COPS Office website (www.cops.usdoj.gov) to complete the second part of the application by **March 11, 2020 at 7:59 p.m. EDT**.

Late submissions

The COPS Office offers a process for CHP applicants to provide advance notice to the COPS Office if receipt of their application will be delayed due to unforeseen COPS Office Online Application System technical issues. Applicants must provide notice prior to the close of the solicitation. If applicants do not provide advance notice to the COPS Office about an issue that may cause a delay in the submission of the application, then the application will not be considered for funding. If applicants follow the steps outlined below, submission may be considered. Extension of deadlines is not guaranteed.

Experiencing unforeseen COPS Office Online Application System technical issues

If you experience unforeseen COPS Office Online Application System technical issues beyond your control, which prevent you from submitting your application by the deadline, **please immediately contact the COPS Office Response Center at 800-421-6770 to create a record of the issue. You will need to provide the following information to the COPS Office Response Center:**

- ORI
- Agency name
- Point of contact name and contact information
- Application ID
- Nature of technical issues

The COPS Office will respond to each applicant email as soon as possible with an approval and instructions for submission, or a rejection. If the technical issues you reported cannot be validated, your application will be rejected. Any requests to submit applications due to technical issues after the deadline will be rejected as untimely.

To ensure a fair competition for limited discretionary funds, the following conditions are *not* valid reasons: (1) failure to begin the registration process in sufficient time; (2) failure to follow the COPS Office Online Application System instructions on how to register and apply as posted on its website; (3) failure to follow all of the instructions in the CHP solicitation, including the CHP Application Guide; (4) failure to register or update information on the SAM website; and (5) failure to register or complete SF-424 in grants.gov.

Notifications regarding known technical problems with COPS Office Online Application System will be posted on <https://portal.cops.usdoj.gov/>.

No late submission requests will be considered once the CHP application closes.

Extraordinary natural or manmade disasters

In cases of extraordinary natural or manmade disasters, such as extreme weather emergencies or mass casualty events, applicants may request to submit applications late by sending an email to AskCopsRC@usdoj.gov.

Applicants will need to follow these directions:

- Send email directly to AskCopsRC@usdoj.gov
- The subject line should read “FY20 CHP Extraordinary Circumstances: ORI, Agency Name, Application ID” — with your specific ORI, organization name, and application ID included in the subject line
- Message: The message should include the following information:
 - ORI
 - Agency name
 - Application ID
 - Nature of the disaster and how it affected the applicant’s ability to submit an application on time

The email message must be sent by the deadline or as soon as possible given the specific emergency. The COPS Office will respond to each applicant email as soon as possible with an approval and instructions for submission, or a rejection.

Eligibility Requirements

The CHP program is an open solicitation. All local, state, and tribal law enforcement agencies that have primary law enforcement authority are eligible to apply. An agency with primary law enforcement authority is defined as the first responder to calls for service for all types of criminal incidents within the jurisdiction served. Please note that CHP applicants must have a police department that is operational by the close of this application or receive services through a new or existing contract for law enforcement services. If funds under this program are to be used as part of a written contracting agreement for law enforcement services (e.g., a town that contracts with a neighboring sheriff's department to receive services), the agency wishing to receive law enforcement services must be the legal applicant in this application (although we will ask you to supply some information about the contract service provider in section 7 of this application).

For additional information, please visit the COPS Office website at www.cops.usdoj.gov.

Program-Specific Information

All awards are subject to the availability of appropriated funds and any modifications or additional requirements that may be imposed by law.

Program goal

CHP is designed to increase the capacity of law enforcement agencies to implement community policing strategies that strengthen partnerships for safer communities and enhance law enforcement's capacity to prevent, solve, and control crime through funding for additional officers.

Length of award term, maximum federal share, local share requirements, and hiring categories

CHP awards provide funding for three years (36 months) for each position awarded. No-cost extensions of time (not additional funding) may be provided on a case-by-case basis to provide additional time beyond the three years to complete the expenditure of award funds. CHP recipients are required to retain each officer position awarded for at least 12 months following the conclusion of 36 months of award funding for that position. The additional officer positions should be added to your agency's law enforcement budget with state and/or local funds over and above the number of locally-funded officer positions that would have existed in the absence of the award. Absorbing CHP-funded officers through attrition (rather than adding the extra positions to your budget with additional funding) does not meet the retention requirement.

2020 CHP awards provide up to 75 percent funding of the approved entry level salaries and fringe benefit of each newly hired and/or rehired full-time sworn career law enforcement officer over the three-year (36-month) award period with a minimum 25 percent local cash match requirement and a maximum federal share of \$125,000 per officer position. All budget calculations must be based on the current authorized salary and fringe benefits of an entry-level officer in your department. Any additional costs for higher than entry-level salaries and fringe benefits will be the responsibility of the recipient agency.

CHP awards may be used on or after the official award start date as it appears on your agency's award document to (1) hire new officer positions (including filling existing officer vacancies that are no longer funded in your agency's budget); (2) rehire officers who have been laid off by any jurisdiction (at the time of application) as result of state, local, or Bureau of Indian Affairs (BIA) budget reductions; and/or (3) rehire officers who are (at the time of application) scheduled to be laid off by your jurisdiction on a specific future date as a result of state, local, or BIA budget reductions.

CHP funds will be awarded for officer positions in the above three specific hiring categories and recipients are required to use CHP funds for the specific categories awarded. An applicant may request funding in one or more of the hiring categories. However, funding requests must be based upon the applicant's current need for funding in these three hiring categories. If an applicant receives an award for a specific hiring category and then needs to make changes to the hiring categories following the receipt of the CHP award, the recipient must request a post-award modification and receive prior approval from the COPS Office before expending CHP funding under the new category. To request a post-award modification, please contact the COPS Office Response Center at 800-421-6770.

The COPS Office statutory nonsupplanting requirement mandates that CHP funds be used to supplement (increase) the recipient's law enforcement budget for sworn officer positions and may not supplant (replace) state, local, or BIA funds that a recipient would otherwise have spent on sworn officer positions in the absence of the CHP award.

Awarded agencies are required to draw down award funds based upon immediate cash disbursement needs throughout the 36-month funding period and not as a lump sum payment.

Federal funding: Allowable and unallowable costs

Allowable costs: Fundable requests

Allowable costs are costs that will be paid for by this award program. The only allowable costs under CHP are the approved full-time, entry-level salaries and fringe benefits of newly hired or rehired sworn career law enforcement officers hired or rehired on or after the award start date. A "career law enforcement officer" is a person hired on a permanent basis who is authorized by law or by a state, local, or tribal agency to engage in or oversee the prevention, detection, or investigation of violations of criminal laws. 34 U.S.C. §10389(1). The State of Alaska, and any Indian tribe or tribal organization in that State, may also use hiring funds for village public safety officers defined as "an individual employed as a village public safety officer under the program established by the State pursuant to Alaska Statute 18.65.670. Tribal Law and Order Act of 2010, Pub. L. 111-211, title II, § 247 (a)(2).

An agency seeking to rehire officers scheduled to be laid off on a specific future date with CHP funds must continue to fund them with local funds through the award date until the date of the scheduled layoff. Officers previously employed by your agency who have been (or are currently scheduled to be) laid off as a result of budget reductions may be rehired using CHP award funds, but funding requests must be limited to your agency's entry-level salaries and fringe benefits for full-time officers. Please be aware that your agency will be responsible for paying any costs that exceed entry-level salaries and fringe benefits with local funds.

CHP awards provide 36 months of funding for sworn officer positions. Funding requests must be based upon the applicant's current (at the time of application) need for funding in the three hiring categories (new hires, rehiring of previously laid-off officers, and rehiring officers who are scheduled to be laid off on a specific future date). When evaluating how many CHP positions to request, please be mindful of the initial 36-month award period and your agency's ability to fill and retain the officer positions awarded while following your agency's established hiring policies and procedures.

Requests may be made only for positions that are not otherwise budgeted with state, local, or BIA funds and that would not be funded in the absence of the CHP award.

All requests will be considered on a case-by-case basis during the budget review process. Requested items under the program must comply with the appropriations language enacted for FY 2020. In addition, each request must programmatically link to the CHP activities described in your application.

Unallowable costs: Requests will NOT be funded

All items other than entry-level personnel costs (salaries and fringe benefits) as described in the preceding section are considered unallowable under CHP. Therefore, requests for equipment, training, uniforms, vehicles, and indirect costs are not permitted under CHP. In addition, the following personnel costs are unallowable:

- Salaries and fringe benefits of existing locally-funded officers, unless those officers are currently scheduled to be laid off on a specific future date
- Salaries and fringe benefits over and above an agency's entry-level salary and fringe benefits for officers
- Salaries and fringe benefits for civilian or nonsworn personnel
- Salaries and fringe benefits for part-time officer positions
- Salaries and fringe benefits for furloughed officers
- Overtime costs

This is not an inclusive list, and items not listed above will be reviewed on a case-by-case basis. The COPS Office reserves the right to deny funding for items that may not be included on this list. Agencies are expected to request items that show a direct link between the requested item and the applicant's CHP project. All requests must contribute directly to the specific purpose of the award project and relate to the appropriations language enacted for FY 2020.

Nonsupplanting requirement

The nonsupplanting requirement means that COPS Office award funds must be used to supplement (increase) state, local, or BIA funds that would have been dedicated toward the award purpose if federal funding had not been awarded. CHP award funds must not be used to replace (supplant) local funds that agencies otherwise would have devoted to sworn officer hiring. The hiring or rehiring of officers under CHP must be in addition to, and not in lieu of, officers who otherwise would have been hired or rehired with local funds. For additional information on the COPS nonsupplanting requirement as it applies to CHP, please refer to the nonsupplanting FAQs at <https://cops.usdoj.gov/chp>.

Furthermore, all award recipients must retain any CHP-funded officer positions awarded for at least 12 months immediately after the 36 months of federal funding has ended for each position. Applicants are required to affirm in their CHP award application that their agency plans to retain any additional officer positions awarded following the expiration of the award and identify their planned source(s) of retention funding.

Financial management and system of internal controls

Award recipients must, as set out in the Uniform Guidance at 2 C.F.R. 200.303:

- (a) Establish and maintain effective internal control over the Federal award that provides reasonable assurance that the recipient is managing the Federal award in compliance with Federal statutes, regulations, and the terms and conditions of the Federal award. These internal controls should be in compliance with guidance in "Standards for Internal Control in the Federal Government" issued by the Comptroller General of the United States and the "Internal Control Integrated Framework," issued by the Committee of Sponsoring Organizations of the Treadway Commission (COSO).
- (b) Comply with Federal statutes, regulations, and the terms and conditions of the Federal awards.
- (c) Evaluate and monitor the recipient's compliance with statutes, regulations, and the terms and conditions of Federal awards.

- (d) Take prompt action when instances of noncompliance are identified including noncompliance identified in audit findings.
- (e) Take reasonable measures to safeguard protected personally identifiable information and other information the Federal awarding agency designates as sensitive or the recipient considers sensitive consistent with applicable Federal, state, local, and tribal laws regarding privacy and obligations of confidentiality.

Administrative actions and legal remedies related to Federal awards

Please be advised that a hold may be placed on any application if it is deemed that the applicant agency is not in good standing on other U.S. Department of Justice awards, has other award compliance issues that would make the applicant agency ineligible to receive COPS Office funding, and/or is not cooperating with an ongoing U.S. Department of Justice award review or audit. A hold may also be placed on any application if it is deemed that the applicant agency is not in compliance with federal civil rights laws and/or is not cooperating with an ongoing federal civil rights investigation.

Misuse of COPS Office funds and/or failure to comply with all COPS Office award requirements may result in suspension or termination of award funds, the repayment of award funds, and/or other remedies available by law.

Under the False Claim Act, any credible evidence that a person has submitted a false claim or has committed a criminal or civil violation of laws pertaining to fraud, conflict of interest, bribery, gratuity, or similar misconduct involving COPS Office funds may be referred to the Office of Inspector General (OIG). The OIG may be contacted at oig.hotline@usdoj.gov, or 800-869-4499.

Monitoring, reporting, and evaluation requirements

Monitoring

Federal law requires that law enforcement agencies receiving federal funding from the COPS Office be monitored to ensure compliance with their award conditions and other applicable statutory regulations. The COPS Office is also interested in tracking the progress of our programs and the advancement of community policing. Both aspects of award implementation—compliance and programmatic benefits—are part of the monitoring process coordinated by the U.S. Department of Justice. Award monitoring activities conducted by the COPS Office include site visits, enhanced office-based grant reviews, alleged noncompliance reviews, financial and programmatic reporting, and audit resolution. Through these monitoring efforts, the COPS Office may seek information including, but not limited to, your agency's compliance with nonsupplanting and both programmatic and financial requirements of the award and your agency's progress toward achieving your community policing strategy. Program and Monitoring Specialists as well as Auditors are particularly interested in confirming that the purchase of items and services is consistent with the applicant's approved award budget as reflected on the Financial Clearance Memo and Final Funding Memorandum. All COPS Office recipients will be required to participate in award monitoring activities of the U.S. Department of Justice including, but not limited to, reviews conducted by the COPS Office, the Office of the Inspector General, or any entity designated by the COPS Office.

Reporting

If awarded, all recipients will be required to electronically submit their financial reports using the SF-425 form by the 30th day following the end of each calendar quarter, and a final report is due 90 days following the award end date. Recipients who do not submit SF-425 reports by the due date will be unable to drawdown funds. More information will be provided in the award package upon receipt of a COPS Office award.

In addition, if awarded, all recipients will be required to electronically submit quarterly progress reports and a final progress report. In addition, awarded agencies will be responsible for the timely submission of a final closeout report and any other required final reports. The COPS Office will notify the recipient when the progress report is due and provide instructions for submission. By accepting a COPS Office award, COPS Office recipients agree to cooperate with and respond to any requests for information pertaining to their COPS Office award.

Evaluations

Though a formal assessment is not a requirement, awarded agencies are strongly encouraged to conduct an independent assessment of their respective award-funded projects. Project evaluations have proven to be valuable tools in helping departments identify areas in need of improvement, providing data regarding successful processes, and reducing vulnerabilities.

Please feel free to contact the COPS Office Response Center at 800-421-6770 to discuss any questions or concerns you may have regarding the monitoring, reporting, and evaluation requirements.

Performance Measures

To assist in fulfilling the U.S. Department of Justice's (DOJ) responsibilities under the Government Performance and Results Modernization Act (GPRAMA) of 2010, P.L. 111-352, recipients who receive funding from the Federal Government must measure the results of work that funding supports. GPRAMA specifically requires the COPS Office and other federal agencies to set program goals, measure performance against those goals, and publicly report progress in the form of funding spent, resources used, activities performed, services delivered, and results achieved.

Performance measures for CHP are as shown in table 1.

Table 1. CHP Performance measures

Objective	Performance measures	Data recipient provides
Increase the capacity of law enforcement agencies to implement community policing strategies that strengthen partnerships for safer communities and enhance law enforcement's capacity to prevent, solve, and control crime through funding for personnel, technology, equipment, and training.	Extent to which COPS Office award funding (e.g., officers, equipment, training, technical assistance, etc.) has increased your agency's community policing capacity?	
Extent to which COPS Office knowledge resources (e.g., publications, podcasts, training, etc.) have increased your agency's community policing capacity?	Recipients will rate the effectiveness of the COPS Office funding in increasing community policing capacity. Data will be collected on a periodic basis through recipient progress reports.	

COPS Office awards target increasing recipient capacity to implement community policing strategies within the three primary elements of community policing: (1) problem solving; (2) partnerships; and (3) organizational transformation. The COPS Office requires all CHP applicants to describe how the personnel requested will assist the applicant in implementing community policing strategies. For more information on community policing, please go to the COPS Office website at <https://cops.usdoj.gov/resources#cptopics>.

As part of the programmatic progress report, CHP recipients will be required to report on their progress toward implementing community policing strategies. Based on the data collected from recipients, the COPS Office may make improvements to CHP to better meet the program's objective and law enforcement agency needs.

Electronic submission of the SF-424 in two parts via Grants.gov and the COPS Office website

Please read the following important information before attempting to submit your application via the COPS Office website:

- Completing a CHP application is a two-step process. Applicants are first required to register via www.grants.gov and complete an SF-424. The Grants.gov funding code for this solicitation is COPS-CHP-Application-2020. Once the SF-424 has been submitted, applicants will receive an email from the COPS Office with instructions on completing the second part of the CHP application through the COPS Office Online Application System. If you have not renewed your COPS Office Account Access information, contact the COPS Office Response Center at AskCopsRC@usdoj.gov or 800-421-6770.
- It is strongly recommended that applicants register immediately on Grants.gov. In addition, applicants are strongly encouraged to complete the SF-424 as quickly as possible. Any delays in registering with Grants.gov or submitting the SF-424 may result in insufficient time for processing your application through Grants.gov or the COPS Office Online Application System. An application is not considered submitted until you have submitted your SF-424 on Grants.gov and the second part of the application on the COPS Office website.
- Confirmation of submission: After completing the second part of the application and clicking “Submit,” applicants will receive a message stating “Your application has been successfully recorded.” The confirmation page will also provide the submission date, ORI, confirmation number, and program type.
- For technical assistance with submitting the SF-424, call the Grants.gov Contact Center at 800-518- 4726 or email support@Grants.gov. For assistance with submitting the application through the COPS Office Online Application System, please call the COPS Office Response Center at 800-421- 6770 or send questions via email to AskCopsRC@usdoj.gov.
- To apply for funding, applicants must have a DUNS number (DUNS numbers are required of all agencies requesting federal funding) and have an active registration with the System for Award Management (SAM) database. Applicants must also provide their registered DUNS name if it is different from their COPS Office legal name.
- Applicants must comply with any word and/or field limit requirements described in the COPS Office Application Guide.

- Applicants will have the opportunity to print a copy of the application prior to submission and another copy of the application after it has been submitted. Please note that the application package cannot be submitted until all required fields have been completed. Note: If Internet access is not available to print a copy of the application package, contact the Response Center at 800-421-6770 to request that a printed copy be sent to you.
- Applicants will be able to print a copy of the application package only for reference while completing the application online via the COPS Office website. The COPS Office will not accept applications submitted via mail or email.
- Do not wait until the application deadline date to begin the application process through the COPS Office website. The registration steps may take several days to complete, and if you wait until the application deadline date you may be unable to submit your application online.

In addition, all applicants are required to maintain current registrations in the System for Award Management (SAM) database. SAM replaces the Central Contractor Registration (CCR) database as the repository for standard information about federal financial assistance applicants, recipients, and subrecipients. The Department of Justice requires that all applicants (other than individuals) for federal financial assistance maintain current registrations in the SAM database. Applicants must update or renew their SAM registration annually to maintain an active status.

Applicants that were previously registered in the CCR database must at a minimum

- create a SAM account;
- log in to SAM and migrate permissions to the SAM account (all the entity registrations and records should already have been migrated).

Applicants that were not previously registered in the CCR database must register in SAM prior to registering in Grants.gov. Information about SAM registration procedures can be accessed at www.sam.gov.

Register or update an account in the COPS Office Account Access

Estimated timeframe: up to one business day

All COPS Office applicants must have an account through the COPS Office Online Application System. Obtaining a Data Universal Numbering System (DUNS) number

The Federal Government requires that all applicants for awards with the exception of individuals, other than sole proprietors, have a Data Universal Numbering System (DUNS) number prior to application submission. The DUNS number is used to identify related organizations that are receiving funding under awards and to provide consistent name and address data for electronic grant application systems. A DUNS number may be obtained by telephone at 866-705-7511 or via the Internet at fedgov.dnb.com/webform.

Data Universal Numbering System (DUNS) number

- The DUNS number is a unique nine- or thirteen-digit identification number provided by Dun & Bradstreet (D&B).
- The DUNS number is site-specific. Therefore, each distinct physical location of an entity (such as branches, divisions, and headquarters) may be assigned a DUNS number. Organizations should try to keep DUNS numbers to a minimum. In many instances, a central DUNS number with a DUNS number for each major division/department/agency that applies for an award may be sufficient.
- You should verify that you have a DUNS number or take the steps needed to obtain one as soon as possible, if there is a possibility you will be applying for future federal awards. There is no need to wait until you are submitting a particular application.
- **If you already have a DUNS number.** If you, as the entity applying for a federal award or cooperative agreement, previously obtained a DUNS number in connection with the federal acquisition process or requested or had one assigned to you for another purpose, you should use that number on all of your applications. It is not necessary to request another DUNS number from D&B. You may request D&B to supply a family-tree report of the DUNS numbers associated with your organization. Organizations should work with D&B to ensure the right information is on the report. Organizations should not establish new numbers, but use existing numbers and update or validate the information associated with the number.
- **If you are not sure whether you have a DUNS number,** call D&B using the toll-free number 866- 705-5711 and indicate that you are a federal award applicant or prospective applicant. D&B will tell you if you already have a number. If you do not have a DUNS number, D&B will ask you to provide the information listed below and will immediately assign you a number, free of charge.

To obtain your DUNS number

- The requestor may obtain a DUNS number via the Internet at fedgov.dnb.com/webform.
- The requestor may also obtain a DUNS number via telephone at 866-705-5711. The phone is staffed from 8:00 a.m.to 6:00 p.m. (local time of the caller when calling from within the contiguous United States). Calls placed to the above number outside of those hours will receive a recorded message requesting the caller to call back between the operating hours. The process to request a number takes about 5–10 minutes. A DUNS number will be assigned at the conclusion of the call. You will need to provide the following information:
- Legal name
- Headquarters name and address for your organization
- Doing business as (DBA) or other name by which your organization is commonly known or recognized
- Physical address, city, state, and ZIP code
- Mailing address (if separate from headquarters and/or physical address)
- Telephone number
- Contact name and title
- Number of employees at your physical location

Managing your DUNS number

- D&B periodically contacts organizations with DUNS numbers to verify that their information is current. Organizations with multiple DUNS numbers may request a free family tree listing from D&B to help determine what branches or divisions have numbers and whether the information is current. Please call the dedicated toll-free DUNS number request line at 866-705-5711 to request your family tree.
- D&B recommends that organizations with multiple DUNS numbers have a single point of contact for controlling DUNS number requests to ensure that the appropriate branches or divisions have DUNS numbers for federal purposes.
- As a result of obtaining a DUNS number you have the option to be included on D&B's marketing list that is sold to other companies. If you do not want your name or organization included on this marketing list, request to be de-listed from D&B's marketing file when you are speaking with a D&B representative during your DUNS number telephone application.

Obtaining a DUNS number is absolutely free for all entities doing business with the Federal Government. This includes grant and cooperative agreement applicants or prospective applicants and federal contractors. Be certain to identify yourself as a federal award applicant or prospective applicant.

Registering with the System for Award Management (SAM)

Applicants for all federal awards are required to register with the System for Award Management (SAM). If your organization already has an Employer Identification Number (EIN), your SAM registration will take up to two weeks to process. If your organization does not have an EIN, then you should allow two to five weeks for obtaining the information from the IRS when requesting the EIN via phone, fax, mail, or Internet. Follow the steps listed below to register in the SAM:

To register in SAM, follow the next steps:

Step 1.

Obtain a DUNS number at www.dnb.com/us or call 866-705-5711.

Step 2.

Access the SAM online registration through the SAM home page at www.sam.gov and follow the online instructions for new SAM users.

Step 3.

Complete and submit the online registration. If you already have the necessary information on hand, the online registration takes approximately 30 minutes to complete, depending upon the size and complexity of your business or organization. Please note that organizations must update or renew their SAM registration at least once a year to maintain an active status.

To migrate your legacy system user account from Central Contractor Registration (CCR), FedReg, ORCA, or EPLS, you must first create a personal account in SAM by clicking on “Create an Account” on the homepage. An individual account is required to manage entity registrations in SAM. You will not be able to manage your registration unless you create a system account in SAM. Once you validate that you have access to the email address you provided during the registration process and login, you will see a message on the user dashboard (My SAM) that will ask you, “Would you like to migrate a legacy system account?” Click “Yes” to begin the migration process. Alternatively, you may click on “Manage My User Roles,” then on “Migrate Legacy Account” link to begin the migration process. The roles you had with the legacy system will be mapped to your SAM account.

To update your entity’s SAM registration, follow the next steps:

Step 1.

Go to the SAM homepage (www.sam.gov), enter your username and password, and then click the “Log In” button.

Step 2.

Select “Complete Registrations” under Registration/Update Entity” in the left navigation pane.

Step 3.

Select the entity record that you want to update and click the “Update” button.

For more details on updating your registration, please refer to the SAM User Guide, available at www.sam.gov.

If awarded funds, your agency must maintain the currency of your information in the SAM until you submit the final financial report required under this award or receive the final payment, whichever is later. This requires that you review and update the information at least annually after the initial registration, and more frequently if required by changes in your information or another award term.

To review the System for Award Management and Universal Identifier Award Term, please see the appendices of this guide.

Deadline/Application period

The application period for the 2020 COPS Hiring Program begins **January 9, 2020**. All applications must be submitted by **March 11, 2020, at 7:59 p.m. EDT**. Applications submitted after **March 11, 2020, at 7:59 p.m. EDT** will not be considered for funding.

Applicants to COPS Office programs are required to sign the standard Assurances and Certifications forms. Signing these documents assures the COPS Office that you have read and understood and that you accept the award terms and conditions as outlined in the Assurances and Certifications. Please read these documents carefully, as signatures on these documents are treated as material representation of fact upon which reliance will be placed when the U.S. Department of Justice determines to make an award.

III. Disclosure of Lobbying Activities (also refer to section 16A on page 61 of this Application Guide and Standard Application forms.)

This disclosure form shall be completed by the reporting entity, whether subrecipient or prime federal recipient, at the initiation or receipt of a covered federal action, or a material change to a previous filing, pursuant to title 31 U.S.C. § 1352. Complete all items that apply for both the initial filing and material change reports. Refer to the implementing guidance published by the Office of Management and Budget for additional information.

If this applies to your agency, you are required to complete the disclosure form in section 16 of the application. If you need to complete and submit additional forms, please complete and submit them as attachments to your application online.

Please be advised that all recipients and subrecipients must comply with the provisions of 2 C.F.R. § 200.450, as appropriate, regarding unallowable costs under the Federal award associated with lobbying or influencing activities. Additional restrictions in 2 C.F.R. § 200.450(c) are applicable to nonprofit organizations and institutions of higher education.

IV. Supplementing, Not Supplanting

The COPS Office nonsupplanting requirement mandates that award funds not be used to replace state or local funds (or, for tribal recipients, Bureau of Indian Affairs funds) that would, in the absence of federal aid, be made available for the purpose of the award. Instead, award funds must be used to increase the total amount of funds that would otherwise be made available for the award purposes. 34 U.S.C. § 10384(a).

Funds budgeted to pay for sworn officer positions irrespective of the award may not be reallocated to other purposes or refunded as a result of receiving a CHP award. Nonfederal funds must remain available for and devoted to that purpose, with COPS Office funds supplementing or increasing those nonfederal funds.

Awarded funding cannot be obligated or expended until on or after the award start date. This means that CHP funds cannot be applied to any agency cost prior to the award start date. In addition, all recipients will be expected to take active and timely steps pursuant to their standard procedures to fully fund law enforcement costs already budgeted as well as to fill all locally funded vacancies resulting from attrition during the life of the award.

Under CHP, the nonsupplanting requirement means that an award recipient receiving CHP award funds to hire a new officer position, including filling an existing officer vacancy that is no longer funded in the recipient's local budget, must hire the additional position on or after the official award start date, above its current budgeted (funded) level of sworn officer positions.

The nonsupplanting requirement also means that an award recipient that receives CHP award funds to rehire an officer who has already been laid off (at the time of application) as a result of state, local, or BIA budget reductions must rehire the officer on or after the official award start date. The award recipient must maintain documentation showing the date(s) that the position(s) was/were laid off and rehired in its CHP award file.

In addition, the nonsupplanting requirement means that an award recipient that receives CHP award funds to rehire an officer who is (at the time of application) currently scheduled to be laid off on a specific future date as a result of state, local, or BIA budget reductions must continue to fund the officer with its own funds through the award start date until the date of the scheduled layoff. [For example, if the award start date is September 1 and the layoff is scheduled for November 1, then the CHP funds may not be used to fund the officer until November 1, the date of the scheduled layoff.]. An agency must identify the date(s) of the scheduled layoffs and the number of officers to be laid off in its application. If a CHP award is awarded, an award recipient must maintain documentation showing the date(s) and reason(s) for the layoffs, the number of officers laid off, the number of officers rehired, and dates the officers were rehired. [Please note that as long as your agency can document that the layoffs would occur on the identified dates if the CHP award funds were not available, it may transfer the officers to the CHP funding on or immediately after the date of the layoff without formally completing the administrative steps associated with a layoff for each individual officer.]

Documentation that may be used to prove that scheduled layoffs are occurring for local economic reasons that are unrelated to the availability of CHP award funds may include (but are not limited to) council or departmental meeting minutes, memoranda, notices, or orders discussing the layoffs; notices provided to the individual officers regarding the date(s) of the layoffs; and/or budget documents ordering departmental and/or jurisdiction-wide budget reductions. These records must be maintained with your agency's CHP award records during the award period and for three years following the official closeout of the CHP award in the event of an audit, monitoring, or other evaluation of your award compliance. For additional information on the COPS nonsupplanting requirement as it applies to CHP, please refer to the Frequently Asked Questions (FAQ) information sheet at <https://www.cops.usdoj.gov/chp>.

If you have questions concerning the nonsupplanting requirement while completing this application, please contact the COPS Office Response Center at 800-421-6770 for further information.

This requires recipients to review and update the information at least annually after the initial registration and more frequently if required by changes in information or other award term.

To review the System for Award Management and Universal Identifier Award Term, please see appendix M.

X. Federal Funding Accountability and Transparency Act (FFATA)—Reporting Subaward and Executive Compensation Information

The Federal Funding Accountability and Transparency Act of 2006 (FFATA) requires, among other things, that information on federal awards (federal financial assistance and expenditures) be made available to the public via a single, searchable website, which is www.USASpending.gov.

Applicants should note that all recipients of awards of \$25,000 or more under this solicitation, consistent with FFATA, will be required to report award information on any first-tier subawards totaling \$25,000 or more and, in certain cases, to report information on the names and total compensation of the five most highly compensated executives of the recipient and first-tier subrecipients. If applicable, the FFATA Subaward Reporting System (FSRS), accessible via the Internet at www.fsr.gov, is the reporting tool recipients under this solicitation will use to capture and report subaward information and any executive compensation data required by FFATA.

The subaward information entered in FSRS will then be displayed on www.USASpending.gov, associated with the prime award, furthering federal spending transparency.

Each applicant entity must ensure that it has the necessary processes and systems in place to comply with the applicable reporting requirements should it receive funding.

To review the FFATA Reporting Subaward and Executive Compensation Award Term, please see the appendices of this guide.

XI. Contract Provision under Federal Award

All contracts made by the recipients under the Federal award must contain the provisions required under 2 C.F.R. part 200, Appendix II to Part 200—Contract Provisions for Non-Federal Entity Contracts Under Federal Awards.

For the full text of 2 C.F.R. Appendix II to Part 200, please refer to the appendices of this guide.

XIII. Curriculum Development—Not applicable under CHP

XIV. Restrictions on Internal Confidentiality Agreements

Recipients, subrecipients, or entities that receive a contract or subcontract with any funds under this award, may not require any employee or contractor to sign an internal confidentiality agreement or statement that prohibits or otherwise restricts the lawful reporting of waste, fraud, or abuse to an investigative or law enforcement representative of a federal department or agency authorized to receive such information. Consolidated Appropriations Act, 2019, Public Law 116-6, Division D, Title VII, Section 742.

XV. Mandatory Disclosure

Recipients and subrecipients are required to timely disclose in writing to the COPS Office or pass-through entity, as applicable, all federal criminal law violations involving fraud, bribery, or gratuity that may potentially affect the awarded federal funding. Recipients that receive an award over \$500,000 agree to report certain civil, criminal, or administrative proceedings in SAM, and are required to comply with the Term and Condition for Recipient Integrity and Performance Matters as outlined in 2 C.F.R. Part 200, Appendix XII to Part 200. Failure to make required disclosures can result in any of the remedies, including suspension and debarment, described in 2 C.F.R. § 200.338.

XVI. Debarment and Suspension

Recipients agree not to award federal funds under this program to any party which is debarred or suspended from participation in federal assistance programs. 2 C.F.R. Part 180 (Government-wide Debarment and Suspension) and 2 C.F.R. Part 2867 (DOJ-specific requirements).

XVII. Recipient Integrity and Performance Matters

Recipients that received \$500,000 or more in a federal award, agree to comply with the terms and conditions outlined in 2 C.F.R. Part 200, Appendix XII to part 200 - Term and Condition for Recipient Integrity and Performance Matters.

For the full text of 2 C.F.R. Part 200, Appendix XII to part 200 please refer to the appendices of this guide.

XVIII. False Statements

False statements or claims made in connection with COPS Office awards may result in fines, imprisonment, or debarment from participating in federal awards or contracts, and/or any other remedy available by law.

XIX. Duplicative Funding

Recipients agree to notify the COPS Office if they receive, from any other source, funding for the same item(s) or service(s) also funded under this award.

XX. Additional High-Risk Funding Recipient Requirements

Recipients agree to comply with any additional requirements that may be imposed during the award performance period if the awarding agency determines that the recipient is a high-risk recipient (Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards, 2 C.F.R. § 200.207).

XXI. Modifications

Award modifications are evaluated on a case-by-case basis in accordance with 2 C.F.R. § 200.308. For federal awards in excess of \$250,000, any modification request involving the reallocation of funding between budget categories that exceed or are expected to exceed 10 percent of the total approved budget requires prior written approval by the COPS Office. Regardless of the federal award amount or budget modification percentage, any reallocation of funding is limited to approved budget categories. In addition, any budget modification that changes the scope of the project requires prior written approval by the COPS Office. The COPS Office will not approve any modification request that results in an increase of federal funds.

XXII. Evaluations

The COPS Office may conduct monitoring or sponsor national evaluations of the COPS Office award programs. Recipients agree to cooperate with the monitors and evaluators. 34 U.S.C. § 10385(b).

XXIII. Allowable Costs

The funding under this award is for the payment of approved costs identified in the Financial Clearance Memorandum (FCM).

XXIV. Local Match

COPS Hiring Program award recipients are required to contribute a local match of at least 25 percent towards the total cost of the approved award project, unless waived in writing by the COPS Office. The local match must be a cash match from funds not previously budgeted for law enforcement purposes and must be paid during the award period. The local match contribution must be made on an increasing basis during each year of the three-year award period, with the federal share decreasing accordingly. 34 U.S.C. § 10381(g).

XXV. Equal Employment Opportunity Plan

Recipients agree to comply with the federal regulations pertaining to the development and implementation of an Equal Employment Opportunity Plan. 28 C.F.R. Part 42 subpart E.

XXVI. Employment Eligibility

Recipients agree to complete and keep on file, as appropriate, the U.S. Department of Homeland Security, U.S. Citizenship and Immigration Services (USCIS) Employment Eligibility Verification Form (I-9). This form is to be used by recipients of federal funds to verify that persons are eligible to work in the United States. See Immigration Reform and Control Act of 1986 (IRCA), Public Law 99-603.

XXVII. Enhancement of Contractor Protection from Reprisal for Disclosure of Certain Information

Recipients agree not to discharge, demote, or otherwise discriminate against an employee as reprisal for the employee disclosing information that he/she reasonably believes is evidence of gross mismanagement of a Federal contract or award, a gross waste of Federal funds, an abuse of authority relating to a Federal contract or award, a substantial and specific danger to public health or safety, or a violation of law, rule, or regulation related to a Federal contract (including the competition for or negotiation of a contract) or award. Recipients also agree to provide to their employees in writing (in the predominant native language of the workforce) of the rights and remedies provided in 41 U.S.C. § 4712. Please see appendices in this guide for a full text of the statute.

XXVIII. Federal Civil Rights

The Applicant understands that the federal statutes and regulations applicable to the award (if any) made by the Department based on the application specifically include statutes and regulations pertaining to civil rights and nondiscrimination, and, in addition—

- a. the Applicant understands that the applicable statutes pertaining to civil rights will include section 601 of the Civil Rights Act of 1964 (42 U.S.C. § 2000d); section 504 of the Rehabilitation Act of 1973 (29 U.S.C. § 794); section 901 of the Education Amendments of 1972 (20 U.S.C. § 1681); and section 303 of the Age Discrimination Act of 1975 (42 U.S.C. § 6102);
- b. the Applicant understands that the applicable statutes pertaining to nondiscrimination may include section 809(c) of Title I of the Omnibus Crime Control and Safe Streets Act of 1968 (34 U.S.C. § 10228(c)); section 1407(e) of the Victims of Crime Act of 1984 (34 U.S.C. § 20110(e)); section 299A(b) of the Juvenile Justice and Delinquency Prevention Act of 2002 (34 U.S.C. § 11182(b)); and that the grant condition set out at section 40002(b)(13) of the Violence Against Women Act (34 U.S.C. § 12291(b)(13)), which will apply to all awards made by the Office on Violence Against Women, also may apply to an award made otherwise;
- c. the Applicant understands that it must require any subrecipient to comply with all such applicable statutes (and associated regulations); and
- d. on behalf of the Applicant, I make the specific assurances set out in 28 C.F.R. §§ 42.105 and 42.204.

The Applicant also understands that (in addition to any applicable program-specific regulations and to applicable federal regulations that pertain to civil rights and nondiscrimination) the federal regulations applicable to the award (if any) made by the Department based on the application may include, but are not limited to, 2 C.F.R. Part 2800 (the DOJ “Part 200 Uniform Requirements”) and 28 C.F.R. Parts 22 (confidentiality—research and statistical information), 23 (criminal intelligence systems), 38 (regarding faith-based or religious organizations participating in federal financial assistance programs), and 46 (human subjects protection).

XXIX. Conflict of Interest

Recipients must disclose in writing to the COPS Office or pass-through entity, as applicable, any potential conflict of interest affecting the awarded federal funding in accordance with the Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards, 2 C.F.R. § 200.112.

XXX. Reports/Performance Goals

Recipients will be responsible for submitting quarterly programmatic progress reports that describe project activities during the reporting period and quarterly Federal Financial Reports using Standard Form 425 (SF-425). 2 C.F.R. § 200.327; and 2 C.F.R. § 200.328. The progress report is used to track recipient's progress toward implementing community policing strategies and to collect data to gauge the effectiveness of increasing your agency's community policing capacity through COPS funding. The Federal Financial Report is used to track the expenditures of the recipient's award funds on a cumulative basis throughout the life of the award.

XXXI. Extensions

Recipients may request an extension of the award period to receive additional time to implement your award program. Such extensions do not provide additional funding. Awards may be extended a maximum of 36 months beyond the initial award expiration date. Any request for an extension beyond 36 months will be evaluated on a case-by-case basis. Only recipients that can provide a reasonable justification for delays will be granted no-cost extensions. Reasonable justifications may include change in administration, staff turnover of key award/award-funded personnel, training delays, hiring and recruitment delays or other circumstances that interrupt the 36-month award funding period. An extension allows recipient to compensate for such delays by providing additional time to complete the full 36 months of funding. Extension requests must be received prior to the end date of the award.

XXXII. Computer Network Requirement—Not applicable under CHP

XXXIII. Award Monitoring Activities

Federal law requires that recipients receiving federal funding from the COPS Office must be monitored to ensure compliance with their award conditions and other applicable statutes and regulations. The COPS Office is also interested in tracking the progress of our programs and the advancement of community policing.

Both aspects of award implementation—compliance and programmatic benefits—are part of the monitoring process coordinated by the U.S. Department of Justice. Award monitoring activities conducted by the COPS Office include site visits, office-based grant reviews, alleged noncompliance reviews, financial and programmatic reporting, and audit resolution. As a COPS Office award recipient, you agree to cooperate with and respond to any requests for information pertaining to your award. This includes all financial records, such as general accounting ledgers and all supporting documents. All information pertinent to the implementation of the award is subject to agency review throughout the life of the award, during the close-out process and for three-years after the submission of the final expenditure report. 34 U.S.C. § 10385(a) and 2 C.F.R. §§ 200.333 & 200.336.

XXXIV. Community Policing

Community policing activities to be initiated or enhanced by recipients were identified and described in their award application. Recipients develop a community policing plan for the award with specific reference to a crime or disorder problem and the following elements of community policing: (a) problem solving—a recipient’s plan to assess and respond to the problem identified; (b) community partnerships and support, including related governmental and community initiatives that complement a recipient’s proposed use of funding; and (c) organizational transformation—how a recipient will use the funds to reorient its mission to community policing or enhance its involvement in and commitment to community policing. Throughout the award period recipients are required to implement the community policing plan they set forth in the award application. 34 U.S.C. § 10382 (c)(10).

XXXV. Retention

Recipients commit to retain all sworn officer positions funded under the award with state and/or local funds for a minimum of 12 months following the conclusion of 36 months of federal funding for each position, over and above the number of locally-funded sworn officer positions that would have existed in the absence of the award. Recipients cannot satisfy the retention requirement by using COPS Office-funded positions to fill locally-funded vacancies resulting from attrition. 34 U.S.C. § 10382 (c)(8).

XXXVI. Contracts and/or MOUs with Other Jurisdictions

Equipment, technology, training, vehicles, sworn law enforcement officer positions and civilian positions, awarded may only be used for law enforcement activities or services that exclusively benefit the recipient/taskforce and the population that it serves.

XXXVII. Travel Costs—Not applicable under CHP

XXXVIII. State Information Technology Point of Contact

Recipients agree to ensure that the appropriate State Information Technology Point of Contact receives written notification regarding any information sharing or technology project funded by a COPS Office award. This is to facilitate communication among local and state governmental entities regarding various information technology projects being conducted with these award funds. In addition, recipients agree to maintain an administrative file documenting the meeting of this requirement. For a list of State Information Technology Points of Contact, go to <https://it.ojp.gov/technology-contracts>.

XXXIX Public Release Information—Not applicable under CHP

XL. News Media

Recipients agree to comply with the COPS Office policy on contact with the news media. The policy establishes the COPS Office Communications Division as the principal point of contact for the news media for issues relevant to the COPS Office and/or parameters of the award. Recipients agree to refer all media inquiries on these topics directly to the COPS Office Communications Division at 202.514.9079.

XLI. Paperwork Reduction Act—Not applicable under CHP

XLII. Copyright—Not applicable under CHP

XLIII. Human Subjects Research—Not applicable under CHP

XLIV. Citizenship and Immigration Status Communications

To obligate or expend FY 2020 award funding, all State or local government entities must require that no funded program or activity is subject to any prohibitions or restrictions on sending to, requesting or receiving from, maintaining, or exchanging information regarding citizenship or immigration status with components of the U.S. Department of Homeland Security or any other federal, state or local government entity. This includes any prohibitions or restrictions imposed or established by a State or local government entity or official. This condition applies throughout the grant award period.

The full text of this grant condition may be found in the appendices.

XLV. Background Investigations

Recipients agree to ensure that each officer(s) hired with CHP funding will be subject to a background investigation, notify the COPS Office upon completion of the background investigation for each officer hired under the CHP award, and cooperate with the COPS Office and provide updates on the status of background investigations upon request. 2 C.F.R. § 200.207

If the COPS Office determines that CHP funds are being used to pay the salary and fringe benefits of an officer who has not undergone a background investigation, the COPS Office may temporarily suspend grant funds in accordance with 2 C.F.R. §200.338 until the agency can demonstrate the background investigation has been completed.

XLVI. Career Law Enforcement Officer

Officer hiring funds may only be used to pay entry-level salaries and fringe benefits for full-time “career law enforcement officers” for 36 months. The COPS Office’s statute defines a “career law enforcement officer” as “a person hired on a permanent basis who is authorized by law or by a State or local public agency to engage in or supervise the prevention, detection, or investigation of violations of criminal laws.” 34 U.S.C. §10389(1). A recipient agency may use officer hiring funds to pay the salary and benefits of recruits while in academy training to become “career law enforcement officers” if it is the standard practice of the agency to do so with locally-funded recruits. The State of Alaska, and any Indian tribe or tribal organization in that State, may also use officer hiring funds for a “village public safety officer” defined as “an individual employed as a village public safety officer under the program established by the State pursuant to Alaska Statute 18.65.670.” Tribal Law and Order Act of 2010, Pub. L. 111-211, title II, § 247 (a)(2).

Application review information

The COPS Office is committed to ensuring a fair and open process for making awards. The COPS Office will review applications to make sure that the information presented is reasonable, understandable, measurable, achievable, and consistent with the solicitation.

This review will also assess whether costs are reasonable, necessary, and allocable under applicable federal cost principles and agency regulations. This financial review will be conducted by the COPS Office staff or in collaboration with the peer review process.

For CHP, the COPS Office will focus on balancing the applicant's need for federal assistance (as measured by economic and fiscal health questions) with crime rates and the applicant's current commitment to community policing and their proposed community policing strategy. For FY 2020, an applicant's commitment to community policing and the strength of their overall community policing strategy will be the basis for initial scoring.

For CHP, fiscal need will constitute 33.3 percent, crime 33.3 percent, and community policing 33.3 percent of the overall score. Additional consideration will be given to applicants who select one of the following community policing problems or focus areas: School-Based Policing, Violent Crime, and Homeland and Border Security. CHP recipients who choose one of the community policing problems or focus areas listed here will not be allowed to change their choice post-award.

Additional consideration will be given to applicants in states with certain anti-human trafficking laws that treat minors engaged in commercial sex as victims (referred to as "safe harbor" laws) and permit individuals to vacate arrest or prosecution records for non-violent offenses as a result of being trafficked. Additional consideration may also be given for applicants that experienced an unanticipated catastrophic event, applicants that commit to hiring at least one military veteran, applicants from rural areas, applicants that have not previously received COPS Office grant funding, and applicants that partner with federal law enforcement to address illegal immigration.

Prior to award, applications for potential awards will receive a financial integrity review to evaluate the fiscal integrity and financial capability of applicants and to examine proposed costs and the extent to which the budget detail worksheet supports and explains project costs. This review will also assess whether costs are reasonable, necessary, and allocable under applicable federal cost principles and agency regulations. This financial review will be conducted by the COPS Office staff.

In addition, prior to making an award greater than the simplified acquisition threshold (currently set at \$250,000), any information about applicants that is in the designated integrity and performance system accessible through SAM will be reviewed and considered. Applicants may review and comment on any information about them in SAM that a Federal awarding agency previously entered in the designated integrity and performance system, and such applicant comments will also be reviewed and considered.

Past performance on previous awards may be in an indicator in this review process. Financial and programmatic performance factors may be included in the past performance review.

Absent explicit statutory authorization or written delegation of authority to the contrary, all final award decisions will be made by the Director of the COPS Office, who may also give consideration to factors including, but not limited to, underserved populations, population served, geographic diversity, strategic priorities, past performance, risk, and available funding when making awards.

Federal award administration information

The award document

The award document is the document indicating your official award funding amount, the number of officer positions awarded, the type of positions awarded, the award number, the award conditions, and the award start and end dates.

The award document is preprinted with your agency's law enforcement and government executives' names. If this information is incorrect or has changed, please update your "Agency Contacts" online at www.cops.usdoj.gov through the "Account Access" link. If the law enforcement or government official has changed since the time of application, please have the current law enforcement executive or government executive for your agency create an account through the "Account Access" link, log in, and electronically sign the award document once your agency contacts have been updated online. Once you have reviewed your award document, please electronically sign it and make a copy of all pages of the document for your records, along with all award condition pages, within 90 days of the date shown on the award congratulatory letter.

As stated in 2 C.F.R. § 200.309 (Period of Performance) a COPS award recipient may charge to the federal award only allowable costs incurred during the period of performance and any costs incurred before the COPS Office made the federal award that were authorized by the COPS Office.

The duration of your CHP award is 36 months of funding for each officer position awarded.

Your award number is in the following format: 2020-ULWX-0000 or 2020-UMWX-0000 for awards given in FY 2020. The COPS Office tracks award information based upon this number. Therefore, it is important to have your agency's award number (or your agency's ORI number) readily available when corresponding with the COPS Office.

Your ORI number begins with your state abbreviation followed by five numbers or letters (e.g., VA00000). This number is assigned by the Federal Bureau of Investigation (FBI) for use in tracking information for the Uniform Crime Report (UCR). The COPS Office tracks programmatic award information based upon this ORI number. If your agency does not have an ORI number assigned by the FBI, the COPS Office assigns a nonofficial ORI code to use as an agency identifier (in such cases, the last two characters will be "ZZ"). If you have any questions regarding your award, please refer to your award number or your agency's ORI number when you contact the COPS Office.

The award conditions are listed on your agency's award document. By accepting this award, you are obtaining federal funds from the COPS Office. As part of that agreement, if awarded, your agency will acknowledge that it will comply with these conditions (and, if applicable, additional special conditions specific to your agency).

In limited circumstances, your award may be subject to special conditions that prevent your agency from drawing down or accessing award funds until the special conditions are satisfied as determined by the COPS Office. Any special conditions will be included with your award.

Administrative and national policy requirements

If selected for funding, in addition to implementing the funded project consistent with the approved project proposal and budget, the recipient must comply with award terms and conditions and other legal requirements including OMB, DOJ, or other federal regulations that will be included in the award or incorporated into the award by reference or are otherwise applicable to the award.

Please see general terms and conditions on page 20.

Suspension or termination of funding

The COPS Office may suspend, in whole or in part, or terminate funding or impose other sanctions on a recipient for the following reasons:

- Failure to substantially comply with the requirements or objectives of the Public Safety Partnership and Community Policing Act of 1994, program guidelines, or other provisions of federal law
- Failure to make satisfactory progress toward the goals or strategies set forth in this application
- Failure to adhere to award agreement requirements or special conditions
- Proposing substantial plan changes to the extent that, if originally submitted, would have resulted in the application not being selected for funding
- Failure to submit required or requested reports
- Filing a false statement or certification in this application or other report or document
- Other good cause shown

Prior to imposing sanctions, the COPS Office will provide reasonable notice to the recipient of its intent to impose sanctions and will attempt to resolve the problem informally. Appeal procedures will follow those in the U.S. Department of Justice regulations in 28 C.F.R. Part 18.

Awards terminated due to non-compliance with the Federal statutes, regulations, or award terms and conditions, will be reported to the integrity and performance system accessible through SAM (currently FAPIIS).

False statements or claims made in connection with COPS Office awards may result in fines, imprisonment, debarment from participating in federal awards or contracts, and/or any other remedy available by law.

Please be advised that recipients may not use COPS Office funding for the same item or service also funded by another U.S. Department of Justice Award.

Section 1. COPS Office program request

Please ensure that the correct program box is checked. If you plan to apply for other COPS Office programs, a separate application must be completed for each COPS Office program for which you are applying. Please ensure that you read, understand, and agree to comply with the applicable terms and conditions as outlined in this application guide before finalizing your selections.

Section 2. Agency eligibility information

For this section, check the appropriate box, and choose the appropriate entity from the drop-down menu.

In section 2A, you will be asked several questions about your law enforcement agency operations and authority to determine your eligibility to apply for a COPS Hiring Program (CHP) award. Please note that CHP applicants must have a police department that is operational by the close of this application or receive services through a new or existing contract for law enforcement services. Applicants must also maintain primary law enforcement authority for the population to be served.

Additionally, if funds under this program are to be used as part of a written contracting agreement for law enforcement services (e.g., a town which contracts with a neighboring sheriff's department to receive services), the agency wishing to receive law enforcement services must be the legal applicant in this application (although we will ask you to supply some information about the contract service provider in section 7 of this application).

Before proceeding with this application, we ask that you please log onto the COPS Office Agency Portal to update the agency providing law enforcement services as your Law Enforcement Executive/Agency Executive Information. This information will be prepopulated from the COPS Office Agency Portal in section 4 of this application, so please ensure its accuracy.

Section 3. General agency information

Please provide accurate agency information, as this information is used to identify your agency and may be used along with other data collected to determine funding eligibility.

Applicant ORI number. The ORI number is assigned by the FBI and is your agency's unique identifier. The COPS Office uses the first seven characters of this number. The first two letters are your state abbreviation, the next three numbers are your county's code, and the next two numbers identify your jurisdiction within your county. If you do not currently have an ORI number, the COPS Office will assign one to your agency for the purpose of tracking your award. ORI numbers assigned to agencies by the COPS Office may end in "ZZ."

Applicant Data Universal Numeric System (DUNS) number. The Federal Government requires that all applicants for federal awards and cooperative agreements, with the exception of individuals other than sole proprietors, have a Data Universal Numbering System (DUNS) number prior to application submission. A DUNS number is a unique nine- or thirteen-digit sequence recognized as the standard identifier for entities receiving federal funds, and provides consistent name and address data for electronic award application systems. A DUNS number may be obtained by telephone at 866-705-7511 or via the Internet at fedgov.dnb.com/webform. For more information about how to obtain a DUNS number, please refer to the “How to Apply” section of this application guide. If your registered name in DUNS is different from your legal name, please enter the registered name.

System for Award Management (SAM). The System for Award Management (SAM) database is the repository for standard information about federal financial assistance applicants, recipients, and subrecipients. The Federal Government requires that all applicants of federal award funds and cooperative agreements—with the exception of individuals other than sole proprietors—be registered in the database prior to application submission. Please contact the SAM Service Desk at 866-606-8220 or view or update your registration information at www.sam.gov. If your SAM registration is set to expire prior to September 30, 2020, please renew your SAM registration prior to completing this application. All applicants are required to maintain current registrations in the SAM database. Please note that applicants must update or renew their SAM at least once per year to maintain an active status. For more information about how to register with SAM, please refer to the “How to Apply” section of this application guide.

Cognizant Federal Agency. A Cognizant Federal Agency, generally, is the federal agency from which your jurisdiction receives the most federal funding. Your Cognizant Federal Agency also may have been previously designated by the Office of Management and Budget. Applicants that have never received federal funding should select the “U.S. Department of Justice” as the Cognizant Federal Agency.

Fiscal year. Enter the month, day, and year of the legal applicant’s fiscal year.

Law enforcement agency sworn force information. When completing your agency’s general law enforcement agency information in section 3G, please note that “budgeted sworn force strength” refers to the number of sworn officer positions your agency has funded within its budget, including state, BIA, and locally funded vacancies. Do not include unfunded vacancies or unpaid/reserve officers. “Actual sworn force strength” refers to the actual number of sworn officer positions employed by your agency as of the date of the application.

Civilian staffing. Enter the number of civilian positions funded in your agency’s fiscal year budget, both full-time and part-time.

USAO District Office. Enter applicant’s U.S. Attorney’s Office District.

U.S. Department of Justice and other federal funding. Applicants are required to disclose whether they have pending applications for federally funded assistance or active federal awards that support the same or similar activities or services for which award funding is being requested under this application.

Be advised that COPS Office award funding may not be used for the same item or service funded through another funding source. However, leveraging multiple funding sources in a complementary manner to implement comprehensive programs or projects is encouraged and is not seen as inappropriate. To aid the COPS Office in the prevention of awarding potentially duplicative funding, please list all pending applications and active awards your

agency has with any other federal funding source (e.g., direct federal funding or indirect federal funding through state subawarded federal funds) that support the same or similar activities or services as being proposed in this COPS Office application.

Section 4. Executive information

Please ensure that information listed is current. If these officials are “Interim” or “Acting” at the time of application, check the appropriate box. Please note that this information will be used for any future correspondence regarding this award application, and ultimately, if funding is awarded, this information will be used for any award notifications.

Applicant executive/agency executive information

A. For law enforcement agencies

This is the highest ranking law enforcement official within your jurisdiction (e.g., chief of police, sheriff, or equivalent). If the funding is awarded, the person in this position will ultimately be responsible for the programmatic implementation of the award. This section will be prepopulated from the information listed in your COPS Office Agency Portal account. If this information is no longer correct, please log in to your COPS Office Agency Portal account and make the necessary corrections before proceeding with this application. For assistance, please call the COPS Office Response Center at 800-421-6770.

B. For government agencies

This is the highest ranking government official within your jurisdiction (e.g., mayor, municipal administrator, tribal chairman, or equivalent). If funding is awarded, the person in this position will ultimately be responsible for the financial management of the award. Please note that information for nonexecutive positions (e.g., clerks or trustees) is not acceptable. This section will be prepopulated from the information listed in your COPS Office Agency Portal account. If this information is no longer correct, please log in to your COPS Office Agency Portal account and make the necessary corrections before proceeding with this application. For assistance, please call the COPS Office Response Center at 800-421-6770.

Note: Listing individuals without ultimate programmatic and financial authority for the award could delay the review of your application, or remove your application from consideration.

Section 5. COPS Office officer request

2020 CHP award funds cover up to 75 percent of the approved entry level salary and fringe benefits of each newly hired and/or rehired full-time sworn career law enforcement officer for the three-year (36-month) award period with a minimum 25 percent local cash match requirement up to a maximum federal share of \$125,000 per officer position. CHP funding will be based on your agency’s current entry-level salaries and fringe benefits for full-time sworn officers.

In FY 2020, agencies may request the number of officer positions necessary to support their proposed community policing strategy. Please keep in mind that there is a minimum 25 percent local cash match and a 12-month retention requirement for each officer position funded. The COPS Office will fund as many positions as possible for successful applicants; however, the number of officer positions requested by an agency may be reduced based on the availability of funding and other programmatic considerations.

Based on the number of positions that would be available if your agency were awarded funding, please identify how the requested positions would be allocated across the three specific hiring categories:

- Hiring new officers, which includes the filling of existing officer vacancies that are no longer funded in your agency's budget. These positions must be in addition to the current budgeted (funded) level of sworn officer positions, and the officers must be hired on or after the official award start date as it appears on your agency's award document.
- Rehire officers laid off by any jurisdiction as a result of state, local, or BIA budget reductions. The rehired officers must be rehired on or after the official award start date as it appears on your agency's award document. Documentation must be maintained showing the date(s) that the positions were laid off and rehired.
- Rehire officers who are (at the time of application) currently scheduled to be laid off on a specific future date as a result of state, local, or BIA budget reductions. Recipients will be required to continue funding the position(s) with local funding until the date of the scheduled layoff(s). The date of the scheduled layoff(s) and the number of positions affected must be identified in the CHP application. In addition, documentation must be maintained detailing the date(s) and reason(s) for the layoff(s). Furthermore, agencies awarded will be required to maintain documentation that demonstrates that the scheduled layoffs are occurring for local economic reasons unrelated to the availability of CHP award funds. Such documentation may include local council meeting minutes, memoranda, notices, or orders discussing the layoff(s); budget documents ordering jurisdiction-wide budget reductions; and/or notices provided to the individual officers regarding the layoff(s).

CHP funds are awarded based on your agency's current entry-level full-time sworn officer salaries and fringe benefits package over a three-year period. Any additional costs higher than entry level will be the responsibility of the recipient agency.

A recipient receiving CHP funding to rehire officers that are scheduled for layoff must continue to fund the officers with local funds until the date of the scheduled layoff. The recipient may rehire the officers with CHP funding on or immediately after the date of the scheduled layoff. Unless required by a recipient jurisdiction, the agency is not required to formally complete the administrative steps associated with the layoff of the individual officers it is seeking to rehire so long as the agency can document that a final, approved budget decision was made to lay off those individual officers on the identified layoff date.

An applicant may not reduce its budget for sworn officers just to take advantage of the CHP award. Any budget cut must be unrelated to the receipt of CHP award funds (to avoid a violation of the nonsupplanting requirement).

When completing the questions about the number of CHP sworn officer positions your agency is requesting, please base your responses on your agency's current (at the time of application) needs for funding in the three hiring categories (new hires, rehiring of previously laid-off officers, and rehiring officers who are scheduled to be laid off on a specific future date). CHP award will be made for officer positions requested in each of these three categories, and recipients of CHP awards are required to use awarded funds for the specific categories awarded. If an

applicant receives an award and after receiving the award needs to change the hiring categories, it must request a post-award modification and must receive prior approval before spending CHP funding. For additional information on modifying a CHP award, please contact the COPS Office Response Center at 800-421-6770.

Please note that although hiring military veterans as new hires is not an award requirement under 2020 CHP, the COPS Office supports the attorney general's commitment to hiring military veterans whenever possible. **To this end, applicants who commit to hiring or rehiring at least one military veteran (as defined in appendix A) under 2020 CHP will receive additional consideration for CHP funding.** (Again, these military veterans may be in any of the three hiring categories, not just new hires.) The COPS Office recommends that applicants examine their internal hiring practices to ensure that an officer funded by a CHP award would meet the veteran requirement.

If your agency is requesting officer position(s) in order to deploy school resource officers (SRO), then all of the officer position(s) requested must be used to deploy full-time SROs as defined in appendix A; do not request more officer positions than your agency can expect to deploy in this capacity. If awarded CHP funding for SRO position(s), please note that the COPS Office requires that the officer(s) deployed into the SRO position(s) spend a minimum of 75 percent of their time in and around primary and/or secondary schools, working on youth-related activities. The time commitment of the funded officers must be above and beyond the amount of time that the agency devoted to the schools before receiving the award. There must be an increase in the level of community policing activities performed in and around primary or secondary schools in the agency's jurisdiction as a result of the award. **In addition, you must select "School Based Policing through School Resource Officers" under "Child and Youth Safety Focus" as your focus area in section 6B, question 6, and complete the supplemental questions.**

If awarded, recipients using CHP funding to hire and/or deploy school resource officers into schools must submit a signed Memorandum of Understanding (MOU) between the law enforcement agency and the school partner(s) must be submitted to the COPS Office before obligating or drawing down funds under this award. An MOU is not required at time of application; however, if the law enforcement agency already has an MOU in place that is applicable to the partnership, the MOU can be submitted as an attachment in section 13 of the award application.

The MOU must contain the following: the purpose of the MOU; clearly defined roles and responsibilities of the school district and the law enforcement agency focusing officers' roles on safety, information sharing, supervision responsibility, and chain of command for the SRO; and signatures. Please refer to the MOU fact sheet at <https://cops.usdoj.gov/chp> for a full description of the MOU requirements. If awarded, recipients must submit their MOU to the COPS Office within 90 days of the date shown on the award congratulatory letter. The implementation of the CHP award without submission and acceptance of the required MOU may result in expenditures not being reimbursed by the COPS Office and/or award de-obligation.

The placement of law enforcement officers in school carries a risk of contributing to a "school-to-prison pipeline" process where students are arrested or cited for minor, nonviolent behavioral violations and then diverted to the juvenile court system. This pipeline wastes community resources and can lead to academic failure and greater recidivism rates for these students. If awarded, the recipient agrees that any officers deployed while implementing School-based Policing under the COPS Hiring Program award cannot be involved in the administrative discipline of the students.

If awarded CHP funding for SRO(s), recipients must ensure all COPS-funded SROs complete a National Association of School Resource Officers (NASRO) basic training course, paid for by the COPS Office, no later than nine months after being placed in the schools. If possible, SROs should complete training prior to beginning work in a partner school or school district. If a COPS-funded SRO leaves the recipient agency after completing the NASRO training,

the recipient agrees to pay for the new SRO, who is assigned to backfill this position, to attend a NASRO basic training course. This new SRO must complete the training no later than nine months after being placed in the schools.

Section 6. Law enforcement and community policing strategy

COPS Office recipient must be used to reorient the mission and activities of law enforcement agencies toward the community or enhance their involvement in community policing. Community policing is a philosophy that promotes organizational strategies that support the systematic use of partnerships and problem-solving techniques to proactively address the immediate conditions that give rise to public safety issues such as nonviolent crime, violent crime, and fear of crime.

In section 6B, the COPS Office requires all CHP applicants to describe how hiring additional officers will assist the applicant in implementing and/or enhancing community policing strategies. Please complete the questions in this section to describe the types of community policing activities that will continue or result from COPS Office funding.

One of the criteria in receiving a CHP award is a minimum community policing score based on responses to this section; agencies that do not meet a minimum community policing score will not be considered for funding. Applications with a minimum community policing score reflect a basic existing commitment to community policing and a strategy to enhance or build community policing capacity.

We understand that your community policing needs may change during the life of your award. **Minor changes to this strategy may be made without prior approval of the COPS Office; however, the recipient will be required to report on progress or changes to the community policing strategy (if any) through required progress reports. If your agency's community policing strategy changes significantly, you must submit those changes to the COPS Office for approval.** Changes are significant if they deviate from the specific crime problems originally identified and approved in the community policing strategy submitted with the application. In some cases, changes to the approved community policing strategies may also be deemed significant and may require approval of a modified community policing strategy by the COPS Office, depending on the scope and nature of those changes as identified in the quarterly progress reports. Please note that applicants that choose certain problem/focus areas will not be able to change from these problem/focus areas if awarded CHP funding (see below, question 7).

6B section I. Current organization commitment to community policing

Section I aims to examine the current policies and practices within the agency as they relate to the three primary elements of community policing.

Question 1(a-e)

Please indicate which of the following activities your agency currently employs focusing on community partnerships and problem solving. The community partnerships category refers to the forging of relationships between the law enforcement agency and the individuals and organizations they serve to collaboratively develop solutions to problems and increase trust in police. The problem solving category refers to the process of engaging in the proactive and systematic examination of identified problems to develop effective responses that are rigorously evaluated.

Question 2

The community policing philosophy focuses on the way that the departments are organized and managed and how the infrastructure can be changed to support the philosophical shift behind community policing. Question 2 aims to identify how your agency currently infuses community policing ideals internally within the agency. Please check which, if any, internal management practices your agency currently employs.

Question 3

Community policing calls for a broadening of police outcome measures beyond that of the typical police performance. Question 3 examines the ways in which your agency currently assesses overall performance. Please indicate which of the following assessment measures your agency annually uses to assess performance.

Question 4

Community policing is a collaborative effort between the law enforcement agency and the community it serves. The pathway of communication between the community and the law enforcement agency is paramount to the success of any community oriented policing strategy. Question 4 seeks to gain an understanding of the ways in which your agency shares information with the community it serves. Please indicate in which of the following ways your agency routinely shares information with community members.

Question 5

Community policing advocates that the public should play a role in prioritizing public safety problems.

Individuals who live, work, or otherwise have an interest in the community are a valuable resource for identifying community concerns. Please identify in which of the following ways your agency formally involves community members in influencing agency practices and operations.

6B Section II (A). Proposed community policing strategy—problem solving and partnerships

Section II (A) aims to identify the specific problem/focus area you wish to address with COPS Office funding, the ways you identified and prioritized these public safety issues, and what organizations/agencies you intend to partner with in addressing the problem/focus area. This section also aims to determine the metrics used by your agency to evaluate whether the identified public safety problem is being adequately addressed and what the goals of your agency are in responding to the identified public safety issue.

We strongly recommend agencies consult with their current and prospective partners in order to provide information about the most critical partnerships necessary to address the needs of the community. If awarded funds, your responses to sections II (A) and II (B) will constitute your agency's community policing strategy under this award.

Question 6

The community policing philosophy engages in a proactive and systematic examination of identified problems that can be countered with effective responses. Question 6 aims to identify the community problem/focus area you wish to address with COPS Office funding.

You will be allowed to select one problem/focus area that your community is facing. You should select only the problem/focus area that your agency believes it can best address with this funding and by the officers requested in this application. **At any time during your award you need to be prepared to demonstrate how the recipient funds were specifically used to enhance or initiate community policing activities according to your community policing strategy. After selecting your problem/focus area, you will answer Questions 6a through 11.**

In **question 6**, please identify your problem/focus by selecting a major problem heading (e.g., violent crime problems). Once selected, a series of subheadings will be presented that narrow down the nature of the problem/focus (e.g., assault). Once you have selected the appropriate subheading, please describe the nature of your problem/focus in the text box in precise, specific terms and in less than 50 characters. Examples have been provided to assist you with specifying the individual problems/focus areas. Since community policing aims to develop solutions to the immediate underlying conditions contributing to your public safety problems, there may be a problem your agency wishes to address that is not reflected in the subheadings. If so, please identify the major heading that best fits your problem/focus and under the “other” subheading explain your problem. The COPS Office supports the attorney general’s priority goal of reducing violent crime, especially gun violence. **To this end, applicants who choose Violent Crime as their problem/focus area under 2020 CHP will receive additional consideration for CHP funding. Applicants who choose School-Based Policing or Homeland and Border Security will also receive additional consideration for CHP funding. For each of the above community policing problem/focus areas, if awarded CHP funding, agencies will not be able to change the problem/focus area of their community policing strategies post-award.**

Please note that any applicant that chooses to deploy their officer position(s) as school resource officers in section 5 of this application must choose the “school based policing through school resource officers” focus area under “school based policing focus” and answer the supplemental questions.

As a new sub-category applicants can address traffic and pedestrian safety. It is widely accepted that effective, highly visible targeted traffic enforcement (based on sound evidence-based policing principles) serves to reduce or deter crime. By utilizing traffic safety specific enforcement, jurisdictions have an increased ability to reduce social harm and improve quality of life by reducing incidents of crime and crashes. For more information on how traffic safety and data driven approaches work to reduce crime, please visit [NIJ Crime Solutions](#) and [Data-Driven Approaches to Crime and Traffic Safety](#) (DDACTS).

In **question 6a**, please describe the selected problem/focus area that you wish to address with COPS Office funding in 2,000 characters or less. This text will allow you to expand on the nature of your community’s problem and breadth of your proposed project. Community policing entails collaborative efforts between law enforcement agencies and the community, so you will have an opportunity to expand on your proposed partners in another section of the application. This information is required and will be used for auditing and monitoring purposes.

Question 7

Community policing encourages agencies to use problem-solving techniques to identify and prioritize community problems. This process can consist of identifying a basic problem, determining the nature and seriousness of that problem, and establishing baseline measures to evaluate effective responses. Problem-solving techniques aid in your community’s ability to recognize which issues need the most resources. Please select which sources contributed to the identification and prioritization of the problem/focus area your agency intends to address through this award program. At least one response must be selected, but you may select as many sources as necessary.

Other local non-law enforcement government agency data could include information from code enforcement, public works, schools, parks and recreation, etc.

Question 8

Analysis is a key part of the problem-solving process put forth by the community policing model. The objectives of analysis are to develop an understanding of the dynamics of the problem and the limits of current responses, as well as to establish correlation and develop an understanding of cause and effect. By analyzing your community's problem, you are better able to understand the needs of your community and thus determine the best ways to address these needs. Please identify which methods your agency will use to improve your understanding of the problem/focus area you will address. At least one response must be selected, but you may select as many responses as needed.

Question 9

This question is aimed at determining the metrics used by your agency to evaluate whether the identified problem/focus area is being adequately addressed. Please check all the criteria your agency plans to use to determine whether the implemented response achieved the targeted outcomes.

Question 10

This question is aimed at assessing what the goals of your agency are in responding to the identified problem/focus area. Although an agency may have multiple goals, we are requesting that you identify your agency's primary goals and limit it to the top three. **We also encourage your agency to create a system that documents progress toward achieving these identified goals.**

Question 11

Community policing relies heavily on partnerships and relationships between law enforcement and the community it serves. Questions 11a–d are designed to understand these partnerships in greater detail. We strongly recommend agencies consult with their current and perspective partners to in order to provide information about the most critical partnerships necessary to address the needs of the community.

In **question 11a**, please identify the number of partnerships your agency will initiate or enhance to address the identified problem/focus area.

For **question 11b**, of the partners identified in 11a, name the most important external groups/ organizations your agency partners with to develop responses to this problem/focus area. You may only list three partners by name, but you may attach letters of support from any or all project partners.

In **question 11c**, for each partner identified in 11b, please characterize the type of entity this partnership is. Choose the option that provides the closest description of the partner.

In **question 11d** (if applicable), for any tribal law enforcement agencies you indicated as a partner, identify if you have a formalized Memorandum of Understanding or Memorandum of Agreement (MOU or MOA) signed by both partners that governs partnership activities, roles, and responsibilities.

6B section II (B). Proposed community policing strategy—organizational transformation

As one of the three pillars of community policing, organizational transformation is integral to ensuring that your agency's management, structure, personnel, and information systems support and ultimately help sustain and institutionalize community partnerships and proactive problem-solving efforts. These changes focus on the way that departments are organized and managed and how the infrastructure and operations can be changed to support the philosophical shift behind community policing.

In this section, you will be asked to identify the organizational change(s) that your agency plans to focus on through your requested COPS Office funding. Identifying the specific organizational change(s) that your agency plans to focus on is important to ensure that you satisfy the requirements for COPS Office funding under this program and to ensure that ultimately the use of these funds will initiate or enhance your agency's overall capacity to implement community policing strategies.

Questions 12–13

You may select no more than two organizational changes that will be initiated or enhanced under both internal changes to personnel management (question 12) and changes to agency management (question 13). After identifying the organizational change(s) that you will address through your COPS Office award, you will be asked to provide a brief (2,000 characters or less) description expanding on the nature of your planned organizational change activities.

Please be aware that your responses to these questions will become part of your agency's community policing strategy under this award, and your award will be monitored to ensure that the organizational change activities you identify are being initiated or enhanced as part of your community policing strategy under this COPS Office award. **Because these organizational changes can involve substantial effort and investment, we are limiting the organizational change options to no more than two under each section.**

6B section III. General community support and engagement

Identifying the specific support and engagement(s) on which your agency plans to focus is important to ensure that you satisfy the requirements for COPS Office funding under this program. Section III aims to identify the partners your agency consulted with to develop your community policing strategy and to what extent your efforts will complement other initiatives in your jurisdiction.

Section 7. Need for federal assistance

Section 7A. Explanation of need for federal assistance

All applicants are required to explain their inability to address the need for this award without federal assistance. Please note that the character limit for this response is 1,000 characters.

Section 7B. Service population

Please note that the actual population and service population may or may not be the same. For example, a service population may be the census population minus incorporated towns and cities that have their own police department within your geographic boundaries or estimates of ridership (e.g., transit police) or visitors (e.g., park police).

When answering the set of questions under section 7C, we strongly recommend that you consult with your jurisdiction's budgeting office or official, as some items relate to layoffs.

To the extent possible, all data should come from a publicly verifiable source. Supporting source documentation may be requested by the COPS Office. This information will be used to evaluate your jurisdiction's need for federal assistance to address its public safety needs. Jurisdictions applying to receive law enforcement services through a contract should answer these questions in terms of their jurisdiction and any existing contractual arrangements.

Please note: All figures must be rounded to the nearest whole dollar or to the nearest whole percent.

Section 7C. Fiscal health

Question 1

Please provide the total annual operating budget for your law enforcement agency for the current fiscal year, as well as the two previous fiscal years. For jurisdictions receiving services through a contract, the law enforcement operating budget should be the total amount your jurisdiction budgets for law enforcement services, not the operating budget of the agency providing services.

Note: If funds under this program are to be used as part of a written contracting arrangement for law enforcement services (e.g., a town which contracts with a neighboring sheriff's department to receive services), the agency wishing to receive law enforcement services must be the legal applicant in this application.

Question 2

Please indicate the percentage of employees in your jurisdiction (city, county, state, tribal) that have been reduced through layoffs from January 1, 2017, until the submission of this application.

For example, if your agency laid off 10 percent of its civilian law enforcement personnel on July 1, 2017, and further anticipates another 10 percent layoff to its civilian law enforcement personnel by August 15, 2019, you would only include the 10 percent that were laid off at the time of the application.

If your jurisdiction contracts for law enforcement services, please answer this question in terms of your jurisdiction and existing contract arrangements. For example, if the agency providing services has laid off officers but this has not impacted your contract, you would report 0 percent for sworn layoffs.

Question 3

To determine your jurisdiction's percentage of individuals in poverty as established by the U.S. Census Bureau, you must visit the U.S. Census Bureau's American FactFinder website at <https://factfinder.census.gov/faces/nav/jsf/pages/index.xhtml>. At the top of the main page, enter your

city/town/county, select your state, and click “Go.” When the fact sheet for your jurisdiction appears, look for the links on the left-hand side and click on the link for “Poverty.” The number that appears at the top of the main box is the percentage of individuals in poverty; report this number in your application.

For jurisdictions not in the census, such as colleges and universities, parks, or transit, please check “Not Applicable.”

Question 4

To determine your jurisdiction’s unemployment rate as established by the Bureau of Labor Statistics, you must visit the bureau’s Local Area Unemployment Statistics (LAUS) program website at www.bls.gov/lau/data.htm. Please note that for the CHP application you must provide the January 2019 unemployment rate.

The LAUS data page includes comprehensive instructions on multiple methods of searching. One option is to click the button marked “One Screen Data Search.” When the search window appears, select your state (for example, “Oregon”), and then your area type (for example, “cities and towns above 25,000 population”), and then your specific city (for example, “Salem”). Then click on the “Get Data” button.

The results screen will show the monthly unemployment rate for every month going back to January of 1998. Please scroll to the bottom of the table to find the unemployment rate (in the last column) for January 2019 and enter this number.

If your jurisdiction has less than 25,000 in population, it may not be possible to calculate the monthly unemployment rate for your jurisdiction. (A notable exception would be that LAUS includes all cities and towns in the New England region regardless of size.) If your jurisdiction does not appear in the LAUS data, please provide the next best reportable level of data. This could be the surrounding county or multi-entity small labor market area, as appropriate.

For jurisdictions not in the census, such as colleges/universities, parks, or transit, please check “Not Applicable.”

Question 5

If applicable, please select the event(s) that your jurisdiction experienced on or after January 1, 2019.

Question 6

If applicable, please check the box and prepare a written narrative addressing the listed items in the application that supports and documents your unanticipated catastrophic event or incident. This narrative must be uploaded into your application in section 13 of the online application. Please create and upload your narrative in Microsoft Word format.

Question 7

If your agency has a neighborhood or other geographic area designated by the President’s Promise Zone Initiative within your jurisdiction, please check the box.

Section 7D. Property/Violent crime

Please select at least one statement below:

- My agency can report crime data for all 3 years (please input in table below).
- My agency cannot report crime data for 2019.
- My agency cannot report crime data for 2018.
- My agency cannot report crime data for 2017.

Using Uniform Crime Reporting (UCR) crime definitions, enter the actual number of incidents reported by your agency in calendar years 2017, 2018, and 2019. **Only those incidents for which your agency had primary response authority should be provided.** For example, state police and county sheriffs should only count crimes that are reported directly to them as the agency with primary response authority and not necessarily all crime reported in their state or county, even if they provide assistance or backup for these incidents.

If you contract for law enforcement services with another agency, report only those UCR crimes that occurred within your jurisdiction. Do not report crimes that your contractor agency responded to while serving areas outside of your contract.

If you are a law enforcement agency affiliated with an educational institution (e.g., a university/ college police department or school district police department), report only those UCR crimes for which your agency was the primary responding law enforcement agency. Generally, this is restricted to crime committed on campus areas. Do not report UCR data for the municipality or county in which your educational institution is located, and do not report crimes for which another agency was the primary responding law enforcement agency.

If your agency is a NIBRS reporting agency, please ensure that your data is reported in UCR Summary Data style.

If your agency does not officially report to UCR or to NIBRS, please enter the actual number of incidents reported by your agency in each calendar year as reported in your agency's official end-of-year statistical report. Please ensure that these statistics are recorded according to the UCR Hierarchy rule (see page 10 of the UCR Handbook, which is available at https://www.fbi.gov/about-us/cjis/ucr/additional-ucr-publications/ucr_handbook.pdf/view).

Please note: For agencies that report regularly to the UCR, the expectation is that the figures reported here closely correspond to the UCR Part I crime data your agency reported to the FBI for the specified calendar years. Any major variations between official FBI data and data submitted with this application may affect your agency's eligibility and/or affect its score and ranking on this application.

The FBI is retiring the current Summary Reporting System (SRS) and will transition to an all-National Incident-Based Reporting System (NIBRS) data collection system within the next 5 years. The transition to NIBRS will provide a more complete and accurate picture of crime at the national, state, and local level. Beginning in 2021, the FBI will no longer collect summary data and will only accept data in the NIBRS format and COPS Office awards will be based on submitted NIBRS data. Transitioning all law enforcement agencies to NIBRS is the first step in gathering more comprehensive crime data. The COPS Office encourages its award recipients to submit NIBRS data to the FBI Criminal Justice Information Services Division in a timely manner, thereby ensuring sufficient and complete crime and arrest data is available for consideration.

Section 8. Continuation of project after federal funding ends

Section 8A. For COPS Office awards with a retention plan requirement

All applicants are required to affirm that their agency plans to retain all officer positions awarded following the expiration of the CHP award and to identify their planned source(s) of retention funding. Agencies applying for CHP funding are committing to retain each officer position awarded for at least 12 months following the conclusion of 36 months of federal funding for that position. Agencies that do not plan to retain all officer positions under this award program at the time of application are ineligible to apply for CHP funding.

The retention requirement cannot be satisfied through attrition. The retained CHP-funded officer positions should be added to your agency's law enforcement budget with state and/or local funds for at least 12 months over and above the number of locally funded officer positions that would have existed in the absence of the award.

At the conclusion of federal funding, agencies that fail to retain the additional officer positions awarded under the CHP award may be ineligible to receive future COPS Office awards for a period of one to three years.

Please complete section 8A to indicate any plans you may have to continue this program, project, or activity after the conclusion of federal support.

Section 8B. For COPS Office awards with no retention plan requirement—Not applicable under CHP

Section 9. School safety assessment—Not applicable under CHP

Section 10. Executive summary—Not applicable under CHP

Section 11. Project description (narrative)—Not applicable under CHP

Section 12. Official partner(s) contact information

The COPS Office asks that all applicants who choose "School Based Policing through School Resource Officers" as their focus area under CHP to provide contact information for each school partner (if known at time of application) where they intend to deploy the SROs. While this information is not required at the time of application, it will be required for any agency that is subsequently awarded CHP funding for officers to be deployed as SROs.

Section 13. Application attachments

Project narrative and budget narrative

This section should be used to submit any mandatory and/or optional application attachments that may be applicable to your agency. If applicable, CHP applicants should attach the following documents in this section:

Additional Disclosure of Lobbying Activities forms (SF-LLL) (if applicable)—The filing of a SF-LLL form is required for each payment or agreement to make payment to any lobbying entity for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with a covered Federal action. Please see Section 16A “Disclosure of Lobbying Activities” for more details and the Appendices for a copy of the SF-LLL with instructions for completing this form.

An explanation when the applicant is unable to certify to certain statements in “Certifications Regarding Lobbying; Debarment, Suspension and Other Responsibility Matters; and Drug-Free Workplace Requirements” form (if applicable)—When the applicant is unable to certify to specific statements identified in this Certifications form, the applicant must attach an explanation. The applicant is still required to sign the Certifications form to certify to all the other applicable statements. Please see the Appendices for a copy of this Certifications form.

SRO Memorandum of Understanding (MOU) (if applicable)—Recipients awarded CHP funding to hire and/or deploy SRO(s) into schools must submit to the COPS Office a signed Memorandum of Understanding (MOU) between the law enforcement agency and the school partner(s) before obligating or drawing down funds under this award. An MOU is not required at time of application; however, if the law enforcement agency already has an MOU in place that is applicable to the partnership, the MOU can be submitted as an attachment in section 13 of the award application. The MOU must contain the following: the purpose of the MOU; clearly defined roles and responsibilities of the school district and the law enforcement agency focusing officers’ roles on safety, information sharing, supervision responsibility, and chain of command for the SRO; and signatures. The MOU is an agreement among parties that defines the roles and responsibilities of the individuals and partners involved, including SROs, school administrators, law enforcement and education departments, students, and parents. The MOU should explicitly state the proposed programs and daily activities that the SRO will develop and/or administer. It should also address the policies and procedures and the extent to which information will be shared between the law enforcement agency and school or school district partners throughout the course of the award. The MOU should be signed by the law enforcement executive and designated representative for the school or school district who has general educational oversight within that jurisdiction.

Please refer to the MOU fact sheet at <https://cops.usdoj.gov/chp> for a full description of the MOU requirements. If awarded, the recipient must submit the MOU to the COPS Office within 90 days from the date shown on the award congratulatory letter. Implementation of the CHP award without submission and acceptance of the required MOU may result in expenditures not reimbursed by the COPS Office and/or award deobligation.

Catastrophic incident (if applicable)—If your agency checked the box in section 7C, question 6 (major disaster or catastrophic incident), you are required to submit a written narrative containing supporting information. Specifically, your narrative must contain the following information:

- Description of event (including number of casualties)
- Type of event (major disaster, mass shooting, bombing, etc.)
- Impact of the event on delivery of law enforcement services
- Duration of the event (how long will law enforcement services be impacted by the event until recovery)
- Law enforcement response and recovery efforts

[Please use appropriately descriptive file names (e.g., Program Narrative, Budget Detail Worksheet and Budget Narrative, Timelines, Memoranda of Understanding, Resumes) for all attachments.

Please do not submit executable file types as application attachments. These disallowed file types include but are not limited to the following extensions: .com, .bat, .exe, .vbs, .cfg, .dat, .db, .dbf, .dll, .ini, .log, .ora, .sys, and .zip. The system may reject applications with files that use these extensions.

Section 14. Budget detail worksheets

Instructions for completing the budget detail worksheets

The following budget detail worksheets are designed to allow all COPS Office award applicants to use the same budget forms to request funding. Please refer to the allowable/unallowable costs section of this application guide, since these costs vary widely among programs.

To assist you, sample budget detail worksheets are included in this application guide as figures 3–7 beginning on page 57.

Please complete each section of the budget detail worksheets as applicable. If you are not requesting anything under a particular budget category, please check the appropriate box in that category indicating that no positions or items are requested.

All final calculations will be rounded to the nearest whole dollar. Once the budget for your proposal has been completed, a budget summary page will reflect the total amounts requested in each category and the total project costs.

If you need assistance in completing the budget detail worksheets, please call the COPS Office Response Center at 800-421-6770.

Applicable Budget Worksheets under CHP: A, parts 1, 2, and 3 (if local match is required)

Sworn officer positions

Instructions

This worksheet will assist your agency in reporting your agency's current entry level salary and benefits and identifying the total salary and benefits request per officer position for the length of the award term. Please list the current entry level base salary and fringe benefits rounded to the nearest whole dollar for one full-time sworn officer position within your agency. Please list only your agency's contribution of each fringe benefit item; do not include employee contributions.

Complete the budget detail worksheet based upon your agency's current first-year full-time entry level salaries and fringe benefits for your locally funded officers. Increases for year 2 and year 3 will need to be projected to complete the total three-year full-time entry-level salary and fringe benefits per officer request.

Please note that even if your agency is applying only for funds to rehire experienced officers who have been or are scheduled to be laid off, you must complete your budget request based on your current full-time entry level salaries and fringe benefits. Any additional costs higher than entry level for rehired officers must be paid with local funds.

Special note regarding sworn officer salary and fringe benefits: For agencies that do not include fringe benefits (e.g., vacation, holiday, shift differential) as part of the base salary costs and typically calculate these separately, the allowable expenditures may be included under part 1, section B. Any fringe benefits that are already included as part of the agency's base salary (part 1, section A of the Sworn Officer budget worksheet) should not be repeated in the separate fringe listing (part 1, section B).

Shift differential pay is a premium hourly rate paid for those hours that are not considered normal day work hours as defined by your agency. Typically, shift differential pay is for the hours worked outside of normal day work hours, where the majority of hours worked are from 3:00 p.m. of one day until 8:00 a.m. of the following day. This would include the evening shift, midnight shift, overlap shift or power shift, or any other designated shift between those hours that would qualify for the shift differential pay as defined by your agency and/or a contractual or union agreement. Overtime beyond any defined shift work hours is an unallowable cost under 2020 CHP.

Aside from Social Security, Medicare, health insurance, and life insurance, the following are allowable fringe benefits:

1. Dental insurance
2. Vision insurance
3. Prescription drugs
4. Sick days (if not included in base salary—calculate using 8-hour workdays)
5. Vacation days (if not included in base salary—calculate using 8-hour workdays)
6. Holiday pay (if not included in base salary)
7. Retirement pension
8. Worker's compensation
9. Unemployment
10. Disability insurance
11. Accidental death and disability

12. 401(k) plan
13. Liability insurance
14. Shift differential pay (if not included in base salary)
15. Accident insurance
16. Bonding insurance
17. Police trust
18. State funded retirement system
19. Professional liability insurance
20. Federal Unemployment Tax Act (FUTA) tax
21. Survivor benefit

Other benefits, such as training, equipment (e.g., uniforms, weapons, or vehicles), severance pay, and hazard pay, are not allowed. The COPS Office will not pay for any fringe benefits not listed, and if your agency pays those benefits for locally funded officer positions, your agency will be required to do so for CHP-funded officer positions with local funds.

Please review your agency's current entry level salary and benefits costs and identify your agency's total three-year salary and benefits request per officer position. Be mindful that all 2020 CHP total three-year salary and benefits requests will be capped at \$125,000 per officer position. Please ensure that the base salary and all fringe benefits entered into your application are accurate prior to submitting your application.

Sample budget detail worksheet

The sample budget detail worksheet that is included has been completed to assist you in submitting your budget information.

Budget worksheet part 1. Full-time sworn officer information

Section A

The agency entered \$36,000.00 as the annual first-year entry-level base salary (referred to as annual base salary or "ABS") of a full-time sworn officer position in its department. The ABS cannot be higher than what the agency currently pays for this position locally. Your agency should only provide the ABS for one position in this section; the total number of positions being requested has already been indicated by the agency in section 5 of the application.

Section B

Social Security cannot exceed 6.2 percent of the ABS. In the sample, the agency entered zero and checked the "Exempt" box. Agencies that pay a fixed rate that is less than 6.2 percent should check the "Fixed Rate" box.

Medicare cannot exceed 1.45 percent of the ABS. In the sample, the agency entered the maximum allowable amount of \$522.00 ($\$36,000.00 \times 1.45\% = \522.00).

For health insurance, life insurance, vacation, sick leave, retirement, worker's compensation, and unemployment insurance, agencies should indicate the dollar amount and percentage of the ABS that it pays for fringe benefits in the first year for a full-time entry level sworn officer position. Please use the health insurance rate for a "family plan" for all sworn officer positions. For worker's compensation and unemployment insurance, agencies may indicate that they are exempt by checking the appropriate box.

There are several other fringe categories that are allowable under this award program, and they are listed in the drop-down menu. Your agency can pick as many of the categories as are applicable to your agency and fill in the dollar amount and percentage of the ABS for each one.

In the sample, the agency entered \$16,362.00 for the total first-year entry level fringe benefits for a full-time sworn officer position in its department.

Section C

The budget worksheet will automatically calculate the total year 1 salary and fringe benefits for one entry level full-time sworn officer position for your agency in section C, which for the sample equals \$52,362.00.

For year 2 and year 3, agencies are required to provide projections for the salary and fringe benefits for an entry level full-time officer position. Agencies are also required to maintain records documenting how they calculated their projections. There are many ways that an agency may calculate and document the salary and fringe benefits projections. For example, the figures can be based on a contractual agreement that guarantees cost of living or other increases; budget projections that the agency is using to calculate other salaries and fringe benefits for future years; or the average percentage increase in salaries and benefits that the agency experienced over the last five years. The important thing is that your agency estimate the costs to the best of its ability and keep the supporting documentation in your agency's award file in case of future audit or monitoring of your CHP award.

For year 2, the agency estimated the salary at \$37,080 and fringe benefits at \$16,853. For year 3, the agency estimated the salary at \$38,192 and fringe benefits at \$17,359.

Based on the figures for year 1, 2, and 3, the budget worksheet will automatically calculate the total three-year salary and fringe benefits. In addition, the budget worksheet will automatically calculate total project costs based on the number of officer positions your agency requested in section 5 of the application.

Please note that the COPS Office uses the information provided in the budget worksheet to determine the amount of your CHP award, if awarded, so your agency must ensure that the figures are accurate.

Budget worksheet part 2. Sworn officer salary information

All agencies that have an estimated increase in salaries and/or fringe benefits over the life of the award are required to provide a reason(s) why. Agencies should check all the boxes that apply. In the sample, the agency checked that the increases were due to cost of living adjustments and step raises.

Budget worksheet part 3. Federal/Local share costs

The first chart in part 3 will indicate the total salary and benefits for the three-year award period and the required local share. The minimum local match requirement is 25 percent of the total project cost, and the cap on the amount of funding that can be requested per officer position is \$125,000 over three years (36 months). Any additional cost above the local match and officer funding cap will be the responsibility of the recipient agency. Recipients are also required to pay a progressively larger share of the cost of the award with local funds over the award period. The second chart is a projection of the planned federal and local shares of the total project costs over the three-year period of the award; while your agency may deviate from these specific projections during the award period, it must still ensure that the federal share decreases and the local share increases.

Budget summary

The budget summary will automatically calculate total project costs based on the figures provided in the budget worksheet and the number of officer positions requested in the application. It will also calculate the amount of the local match requirement.

Waiver of the local match

The COPS Office may award a waiver of some or all of a recipient's local match requirement. During the application review process, your agency's waiver request will be evaluated based on the availability of funding, a demonstration of **severe fiscal distress** as supported by the fiscal health data provided in section 7 of this application, and comparison of your fiscal health data with that of the overall CHP applicant pool. If your agency wishes to be considered for a waiver, you must respond to question 1 of this section. Question 1a will ask you to indicate the maximum local share (dollar amount) your agency would be able to contribute to the total project cost in order to implement the award. Therefore, you should carefully determine the maximum local share your agency would be able to contribute if awarded. Please indicate whether we should continue to consider your application if the waiver request is not granted or whether it should be removed from consideration once that determination is made. If your application is funded but for a reduced number of officer positions, the percentage of local share provided above will be applied to the total project cost of the awarded officers.

Figure 3. Sample budget detail worksheets: Instructions

SECTION 14A: BUDGET DETAIL WORKSHEETS

Instructions: This worksheet will assist your agency in reporting your agency's current entry-level salary and benefits and identifying the total salary and benefits request per officer position for the length of the grant term. Please list the current entry-level base salary and fringe benefits rounded to the nearest whole dollar for one full-time sworn officer position within your agency. Do not include employee contributions. (Please refer to <http://www.cops.usdoj.gov/Default.asp?Item=46> for information on the length of the grant term for the program under which you are applying.)

Special note regarding sworn officer fringe benefits: For agencies that do not include fringe benefits as part of the base salary costs and typically calculate these separately, the allowable expenditures may be included under Part 1, Section B. **Any fringe benefits that are already included as part of the agency's base salary (Part 1, Section A of the Sworn Officer Budget Worksheet) should not also be included in the separate fringe listing (Part 1, Section B).** Please refer to <http://www.cops.usdoj.gov/Default.asp?Item=46> for information about allowable and unallowable fringe benefits for sworn officer positions requested under the program to which your agency is applying.

Part 3: Federal/Local Share Costs (for Hiring Grants)

As part of the local matching requirement for the 2017 COPS Hiring Program, grantees must assume a progressively larger share of the cost of the grant with local funds over the three-year grant period. This means that your local match must increase each year, while the federal share must decrease.

Waiver of Local Match

The COPS Office may waive some or all of a grantee's local match requirement based on severe fiscal distress. During the application review process, your agency's waiver request will be evaluated based on the availability of funding, a demonstration of **severe fiscal distress** as reflected through the fiscal health data in section 7 of this application, and a comparison of your fiscal health data with that of the overall applicant pool.

Q1: Are you requesting a waiver of the local match based on severe fiscal distress?
☒ Yes

Q1a: If awarded, please indicate the maximum local share your agency would be able to contribute to the total project cost in order to implement the grant. Please enter a value in dollars only.
2500

Based on the waiver request above, your federal share would be \$1,490,480.00 and your local share would be \$2,500.00 if your application is fully funded.

We anticipate that waivers of the local match will be limited. The COPS Office will carefully review your request for a waiver when your application is submitted.

Q1b: If your agency does not qualify for a waiver, do you still wish to be considered for a CHP grant?
☒ Yes, please continue to review my agency's application even if we are not eligible for a waiver of the local match.
☐ No, my agency could not implement this grant without a waiver of the local match, so please do not continue processing our application if we are not eligible for the waiver.

Appendix E. Award Condition for Citizenship and Immigration Status

Authority to obligate or expend contingent on compliance with this condition.

NOTE: This grant condition is established under the COPS Office's broad authority and discretion to award and administer grants. See, e.g., 34 U.S.C. § 10381, et seq. This condition applies only to state or local government entities or to non-state or local government entities that make subawards with these funds to a state or local government entity.

State or local government entity recipients of this award, and any subrecipient of this award at any tier that is an entity of a State or of a unit of local government, may not obligate or expend award funds if – at the time of the obligation or expenditure – the “program or activity” of the recipient funded in whole or in part with the award funds (which includes any such program or activity of any subrecipient at any tier) is subject to any prohibitions or restrictions on sending to, requesting or receiving from, maintaining, or exchanging information regarding citizenship or immigration status with components of the U.S. Department of Homeland Security or any federal, state or local government entity, as generally described in 8 U.S.C. 1373(a) or (b). This includes any prohibitions or restrictions imposed or established by a state or local government entity or official.

A subrecipient of this award (at any tier) that is an entity of a State or of a unit of local government may not obligate or expend award funds if – at the time of the obligation or expenditure – the “program or activity” of the subrecipient (which includes any such program or activity of any subrecipient at any further tier) funded (in whole or in part) with award funds is subject to any prohibitions or restrictions on sending to, requesting or receiving from, maintaining, or exchanging information regarding citizenship or immigration status with components of the U.S. Department of Homeland Security or any federal, state or local government entity, as generally described in 8 U.S.C. 1373(a) or (b). This includes any prohibitions or restrictions imposed by a state or local government entity or official.

Any obligations or expenditures of a recipient or subrecipient that are impermissible under this condition shall be unallowable costs for purposes of this award.

Rules of Construction. For purposes of this condition, “program or activity” means what it means under section 606 of title VI of the Civil Rights Act of 1964 (42 U.S.C. 2000d-4a).

References to the Immigration and Naturalization Service in 8 U.S.C. 1373 are to be read, as a legal matter, as references to particular components of the U.S. Department of Homeland Security.

Should any provision of a condition of this award be held to be invalid or unenforceable by its terms, then that provision shall first be applied with a limited construction so as to give it the maximum effect permitted by law (to any person or circumstance) under this award. Should it be held, instead, that a condition (or a provision thereof) is of utter invalidity or unenforceability, such condition (or such provision) shall be deemed severable from this award.

Any questions about the meaning or scope of this condition should be directed, prior to acceptance of this award, to the Office of Community Oriented Policing Services Legal Division at 202-514-3750.

- (3) The applicant entity and/or its governing body has implemented or, before drawing down grant funds if awarded, will implement rules, regulations, policies, and/or practices that ensure that any of the governing body's correctional and detention facilities provide advance notice as early as practicable (at least 48 hours, where possible) to DHS regarding the scheduled release date and time of an alien in the jurisdiction's custody when DHS requests such notice in order to take custody of the alien. This certification does not require holding an alien beyond his or her scheduled time of release.

Appendix G. 2 C.F.R. Part 200, Appendix II to Part 200—Contract Provisions for Non-Federal Entity Contracts Under Federal Awards

NOTE: The National Defense Authorization Act for fiscal year 2018 (NDAA), Public Law 115–91, Division A, Title VIII, Section 805, raised the simplified acquisition threshold to \$250,000 for all recipients. The OMB Memorandum M-18-18 entitled *Implementing Statutory Changes to the Micro-purchase and the Simplified Acquisition Threshold for Financial Assistance* granted an exception for recipients to use the higher simplified acquisition threshold of \$250,000 effective as of June 20, 2018, in advance of revisions to the Uniform Guidance.

In addition to other provisions required by the Federal agency or nonfederal entity, all contracts made by the nonfederal entity under the Federal award must contain provisions covering the following, as applicable.

- (A) Contracts for more than the simplified acquisition threshold currently set at \$250,000, which is the inflation adjusted amount determined by the Civilian Agency Acquisition Council and the Defense Acquisition Regulations Council (Councils) as authorized by 41 U.S.C. 1908, must address administrative, contractual, or legal remedies in instances where contractors violate or breach contract terms, and provide for such sanctions and penalties as appropriate.
- (B) All contracts in excess of \$10,000 must address termination for cause and for convenience by the non-Federal entity including the manner by which it will be effected and the basis for settlement.
- (C) **Equal Employment Opportunity.** Except as otherwise provided under 41 CFR Part 60, all contracts that meet the definition of “federally assisted construction contract” in 41 CFR Part 60-1.3 must include the equal opportunity clause provided under 41 CFR 60-1.4(b), in accordance with Executive Order 11246, “Equal Employment Opportunity” (30 FR 12319, 12935, 3 CFR Part, 1964-1965 Comp., p. 339), as amended by Executive Order 11375, “Amending Executive Order 11246 Relating to Equal Employment Opportunity,” and implementing regulations at 41 CFR part 60, “Office of Federal Contract Compliance Programs, Equal Employment Opportunity, Department of Labor.”
- (D) **Davis-Bacon Act, as amended (40 U.S.C. 3141-3148).** When required by Federal program legislation, all prime construction contracts in excess of \$2,000 awarded by non-Federal entities must include a provision for compliance with the Davis-Bacon Act (40 U.S.C. 3141-3144, and 3146-3148) as supplemented by Department of Labor regulations (29 CFR Part 5, “Labor Standards Provisions Applicable to Contracts Covering Federally Financed and Assisted Construction”). In accordance with the statute, contractors must be required to pay wages to laborers and mechanics at a rate not less than the prevailing wages specified in a wage determination made by the Secretary of Labor. In addition, contractors must be required to pay wages not less than once a week. The non-Federal entity must place a copy of the current prevailing wage determination issued by the Department of Labor in each solicitation. The decision to award a contract or subcontract must be conditioned upon the acceptance of the wage determination. The non-Federal entity must report all suspected or reported violations to the Federal awarding agency. The contracts must also include a provision for compliance with the Copeland “Anti-Kickback” Act (40 U.S.C. 3145), as supplemented by Department of Labor regulations (29 CFR Part 3, “Contractors and Subcontractors on Public Building or Public Work Financed in Whole or in Part by Loans or Grants from the United States”). The Act provides that each contractor or subrecipient must be prohibited from inducing, by any means, any person employed in the construction, completion, or repair of public work, to give up any part of the compensation to which he or she is otherwise entitled. The non-Federal entity must report all suspected or reported violations to the Federal awarding agency.

- (E) **Contract Work Hours and Safety Standards Act (40 U.S.C. 3701-3708).** Where applicable, all contracts awarded by the non-Federal entity in excess of \$100,000 that involve the employment of mechanics or laborers must include a provision for compliance with 40 U.S.C. 3702 and 3704, as supplemented by Department of Labor regulations (29 CFR Part 5). Under 40 U.S.C. 3702 of the Act, each contractor must be required to compute the wages of every mechanic and laborer on the basis of a standard work week of 40 hours. Work in excess of the standard work week is permissible provided that the worker is compensated at a rate of not less than one and a half times the basic rate of pay for all hours worked in excess of 40 hours in the work week. The requirements of 40 U.S.C. 3704 are applicable to construction work and provide that no laborer or mechanic must be required to work in surroundings or under working conditions which are unsanitary, hazardous or dangerous. These requirements do not apply to the purchases of supplies or materials or articles ordinarily available on the open market, or contracts for transportation or transmission of intelligence.
- (F) **Rights to Inventions Made Under a Contract or Agreement.** If the Federal award meets the definition of “funding agreement” under 37 CFR §401.2 (a) and the recipient or subrecipient wishes to enter into a contract with a small business firm or nonprofit organization regarding the substitution of parties, assignment or performance of experimental, developmental, or research work under that “funding agreement,” the recipient or subrecipient must comply with the requirements of 37 CFR Part 401, “Rights to Inventions Made by Nonprofit Organizations and Small Business Firms Under Government Grants, Contracts and Cooperative Agreements,” and any implementing regulations issued by the awarding agency.
- (G) **Clean Air Act (42 U.S.C. 7401-7671q.) and the Federal Water Pollution Control Act (33 U.S.C. 1251-1387),** as amended—Contracts and subgrants of amounts in excess of \$150,000 must contain a provision that requires the non-Federal award to agree to comply with all applicable standards, orders or regulations issued pursuant to the Clean Air Act (42 U.S.C. 7401-7671q) and the Federal Water Pollution Control Act as amended (33 U.S.C. 1251-1387). Violations must be reported to the Federal awarding agency and the Regional Office of the Environmental Protection Agency (EPA).
- (H) **Debarment and Suspension (Executive Orders 12549 and 12689)**—A contract award (see 2 CFR 180.220) must not be made to parties listed on the government-wide exclusions in the System for Award Management (SAM), in accordance with the OMB guidelines at 2 CFR 180 that implement Executive Orders 12549 (3 CFR part 1986 Comp., p. 189) and 12689 (3 CFR part 1989 Comp., p. 235), “Debarment and Suspension.” SAM Exclusions contains the names of parties debarred, suspended, or otherwise excluded by agencies, as well as parties declared ineligible under statutory or regulatory authority other than Executive Order 12549.
- (I) **Byrd Anti-Lobbying Amendment (31 U.S.C. 1352)**—Contractors that apply or bid for an award exceeding \$100,000 must file the required certification. Each tier certifies to the tier above that it will not and has not used Federal appropriated funds to pay any person or organization for influencing or attempting to influence an officer or employee of any agency, a member of Congress, officer or employee of Congress, or an employee of a member of Congress in connection with obtaining any Federal contract, grant or any other award covered by 31 U.S.C. 1352. Each tier must also disclose any lobbying with non-Federal funds that takes place in connection with obtaining any Federal award. Such disclosures are forwarded from tier to tier up to the non-Federal award.
- (J) **See §200.322 Procurement of recovered materials.**

Appendix H. 2. C. F. R. Part 200, Appendix XII to Part 200—Award Term and Condition for Recipient Integrity and Performance Matters

A. Reporting of Matters Related to Recipient Integrity and Performance

1. General Reporting Requirement

If the total value of your currently active grants, cooperative agreements, and procurement contracts from all Federal awarding agencies exceeds \$10,000,000 for any period of time during the period of performance of this Federal award, then you as the recipient during that period of time must maintain the currency of information reported to the System for Award Management (SAM) that is made available in the designated integrity and performance system (currently the Federal Awardee Performance and Integrity Information System (FAPIS)) about civil, criminal, or administrative proceedings described in paragraph 2 of this award term and condition. This is a statutory requirement under section 872 of Public Law 110-417, as amended (41 U.S.C. 2313). As required by section 3010 of Public Law 111-212, all information posted in the designated integrity and performance system on or after April 15, 2011, except past performance reviews required for Federal procurement contracts, will be publicly available.

2. Proceedings About Which You Must Report

Submit the information required about each proceeding that:

- a. Is in connection with the award or performance of a grant, cooperative agreement, or procurement contract from the Federal Government;
- b. Reached its final disposition during the most recent five year period; and
- c. Is one of the following:
 - (1) A criminal proceeding that resulted in a conviction, as defined in paragraph 5 of this award term and condition;
 - (2) A civil proceeding that resulted in a finding of fault and liability and payment of a monetary fine, penalty, reimbursement, restitution, or damages of \$5,000 or more;
 - (3) An administrative proceeding, as defined in paragraph 5. of this award term and condition, that resulted in a finding of fault and liability and your payment of either a monetary fine or penalty of \$5,000 or more or reimbursement, restitution, or damages in excess of \$100,000; or
 - (4) Any other criminal, civil, or administrative proceeding if:
 - (i) It could have led to an outcome described in paragraph 2.c.(1), (2), or (3) of this award term and condition;
 - (ii) It had a different disposition arrived at by consent or compromise with an acknowledgment of fault on your part; and
 - (iii) The requirement in this award term and condition to disclose information about the proceeding does not conflict with applicable laws and regulations.

3. Reporting Procedures

Enter in the SAM Entity Management area the information that SAM requires about each proceeding described in paragraph 2 of this award term and condition. You do not need to submit the information a second time under assistance awards that you received if you already provided the information through SAM because you were required to do so under Federal procurement contracts that you were awarded.

4. Reporting Frequency

During any period of time when you are subject to the requirement in paragraph 1 of this award term and condition, you must report proceedings information through SAM for the most recent five year period, either to report new information about any proceeding(s) that you have not reported previously or affirm that there is no new information to report. Recipients that have Federal contract, grant, and cooperative agreement awards with a cumulative total value greater than \$10,000,000 must disclose semiannually any information about the criminal, civil, and administrative proceedings.

5. Definitions

For purposes of this award term and condition:

a. Administrative proceeding means a non-judicial process that is adjudicatory in nature in order to make a determination of fault or liability (*e.g.*, Securities and Exchange Commission Administrative proceedings, Civilian Board of Contract Appeals proceedings, and Armed Services Board of Contract Appeals proceedings). (4) Time limitation.--A complaint may not be brought under this subsection more than three years after the date on which the alleged reprisal took place.

(c) Remedy and enforcement authority.--

(1) In general.--Not later than 30 days after receiving an Inspector General report pursuant to subsection (b), the head of the executive agency concerned shall determine whether there is sufficient basis to conclude that the contractor or grantee concerned has subjected the complainant to a reprisal prohibited by subsection (a) and shall either issue an order denying relief or shall take one or more of the following actions:

(A) Order the contractor or grantee to take affirmative action to abate the reprisal.

(B) Order the contractor or grantee to reinstate the person to the position that the person held before the reprisal, together with compensatory damages (including back pay), employment benefits, and other terms and conditions of employment that would apply to the person in that position if the reprisal had not been taken.

(C) Order the contractor or grantee to pay the complainant an amount equal to the aggregate amount of all costs and expenses (including attorneys' fees and expert witnesses' fees) that were reasonably incurred by the complainant for, or in connection with, bringing the complaint regarding the reprisal, as determined by the head of the executive agency.

(2) Exhaustion of remedies.--If the head of an executive agency issues an order denying relief under paragraph (1) or has not issued an order within 210 days after the submission of a complaint under subsection (b), or in the case of an extension of time under paragraph (b)(2)(B), not later than 30 days after the expiration of the extension of time, and there is no showing that such delay is due to the bad faith of the complainant, the complainant shall be deemed to have exhausted all administrative remedies with respect to the complaint, and the complainant may bring a de novo action at law or equity against the contractor or grantee to seek compensatory damages and other relief available under this section in the appropriate district court of the United States, which shall have jurisdiction over such an action without regard to the amount in controversy. Such an action shall, at the request of either party to the action, be tried by the court with a jury. An action under this paragraph may not be brought more than two years after the date on which remedies are deemed to have been exhausted.

(3) Admissibility of evidence.--An Inspector General determination and an agency head order denying relief under paragraph (2) shall be admissible in evidence in any de novo action at law or equity brought pursuant to this subsection.

(4) Enforcement of orders.--Whenever a person fails to comply with an order issued under paragraph (1), the head of the executive agency concerned shall file an action for enforcement of such order in the United States district court for a district in which the reprisal was found to have occurred. In any action brought under this paragraph, the court may grant appropriate relief, including injunctive relief, compensatory and exemplary damages, and attorney fees and costs. The person upon whose behalf an order was issued may also file such an action or join in an action filed by the head of the executive agency.

(5) Judicial review.--Any person adversely affected or aggrieved by an order issued under paragraph (1) may obtain review of the order's conformance with this subsection, and any regulations issued to carry out this section, in the United States court of appeals for a circuit in which the reprisal is alleged in the order to have occurred. No petition seeking such review may be filed more than 60 days after issuance of the order by the head of the executive agency. Review shall conform to chapter 7 of title 5. Filing such an appeal shall not act to stay the enforcement of the order of the head of an executive agency, unless a stay is specifically entered by the court.

(6) Burdens of proof.--The legal burdens of proof specified in **section 1221(e) of title 5** shall be controlling for the purposes of any investigation conducted by an Inspector General, decision by the head of an executive agency, or judicial or administrative proceeding to determine whether discrimination prohibited under this section has occurred.

(7) Rights and remedies not waivable.--The rights and remedies provided for in this section may not be waived by any agreement, policy, form, or condition of employment.

(d) Notification of employees.--The head of each executive agency shall ensure that contractors, subcontractors, and grantees of the agency inform their employees in writing of the rights and remedies provided under this section, in the predominant native language of the workforce.

(e) Construction.--Nothing in this section may be construed to authorize the discharge of, demotion of, or discrimination against an employee for a disclosure other than a disclosure protected by subsection (a) or to modify or derogate from a right or remedy otherwise available to the employee.

Appendix J. Intergovernmental Review Process, Points of Contact by State

Executive Order 12372 requires applicants from state and local units of government or other organizations or individuals providing service within a state to submit a copy of the application to the state single point of contact (SPOC), if one exists and if this program has been selected for review by the state. Before the application due date, you must contact your state SPOC to find out if this program has been selected for review and comply with the state's process under Executive Order 12372. The Catalog of Federal Domestic Assistance reference for this program is number 16.710, "Public Safety and Community Policing Grants."

A current list of state SPOCs is listed at <https://www.archives.gov/federal-register/codification/executive-order/12372.html>. States that are not listed have chosen not to participate in the intergovernmental review process and therefore do not have an SPOC.

About the COPS Office

The **Office of Community Oriented Policing Services (COPS Office)** is the component of the U.S. Department of Justice responsible for advancing the practice of community policing by the nation's state, local, territorial, and tribal law enforcement agencies through information and grant resources.

Community policing begins with a commitment to building trust and mutual respect between police and communities. It supports public safety by encouraging all stakeholders to work together to address our nation's crime challenges. When police and communities collaborate, they more effectively address underlying issues, change negative behavioral patterns, and allocate resources.

Rather than simply responding to crime, community policing focuses on preventing it through strategic problem-solving approaches based on collaboration. The COPS Office awards grants to hire community policing officers and support the development and testing of innovative policing strategies. COPS Office funding also provides training and technical assistance to community members and local government leaders, as well as all levels of law enforcement.

Since 1994, the COPS Office has invested more than \$14 billion to add community policing officers to the nation's streets, enhance crime fighting technology, support crime prevention initiatives, and provide training and technical assistance to help advance community policing. Other achievements include the following:

- To date, the COPS Office has funded the hiring of approximately 130,000 additional officers by more than 13,000 of the nation's 18,000 law enforcement agencies in both small and large jurisdictions.
- Nearly 700,000 law enforcement personnel, community members, and government leaders have been trained through COPS Office-funded training organizations.
- To date, the COPS Office has distributed more than eight million topic-specific publications, training curricula, white papers, and resource CDs and flash drives.
- The COPS Office also sponsors conferences, roundtables, and other forums focused on issues critical to law enforcement.

COPS Office information resources, covering a wide range of community policing topics such as school and campus safety, violent crime, and officer safety and wellness, can be downloaded via the COPS Office's home page, www.cops.usdoj.gov. This website is also the grant application portal, providing access to online application forms.
