- o SR-4 CORRIDOR PLANNING EFFORT

- o BIKE (NON MOTORIZED) PLAN UPDATE

Ken Hash is working with Dave Fine, who is taking the lead on this effort. A meeting is scheduled for January 16<sup>th</sup> at 4:30 to divide up tasks. Anyone else that wants to be involved, please let him know.

- o HIGHLANDS TRAIL CROSSING UPDATE

We may have to wait until the non-motorized plan is in place to make any changes. Ken has driven the area a couple of times. At Douglas and Alder, a 3 way stop may be possible. The 26<sup>th</sup> Ave crossing has a blind spot for drivers to those on the trail. Overall, need a bike plan before making in the field changes.

- o DIKE TRAIL UPDATE

Two locations on the Dike Trail at 38<sup>th</sup> and 42<sup>nd</sup>. Grant was aimed towards pedestrians and not bike riders. Ken Hash will follow up on the slope near the gate at 42<sup>nd</sup> with CDID #1.

- **NEW BUSINESS**
