- Product orders continue to be significantly delayed
- The course was rated 23rd overall for value, and 7th in the state

7. OLD BUSINESS

Rates for 2022 - Walking & Bundle moved to new business

22-00044 a. Rates for 2022**i. Season Passes****ii. Walking & Bundle**

-Board members were provided with attachments (embedded) detailing the overall increase, which includes \$1 for walking rates and \$2 for each ball/play bundle. This increase was necessary due to an increase in the cost of supplies, course maintenance, cart lease, additional part-time customer service staff, etc. Board Member Jordan Burns suggested a larger increase at one time rather than raising the rates by a small amount each year. Jennifer Wills & Jim Nickerson discussed the research and decision making process for the rate-increase decisions.

-Colton Froberg discussed plans to increase revenue for fittings by utilizing social media.

-Unexpected costs: Irrigation, fuel costs, costs of seeds, fertilizer, etc. cost of staffing for increased visits.

-Additional discussions included the justification for leasing vs. buying a fleet of carts, the ability to raise the rates to compensate for the ongoing increase in costs to operate on an ongoing basis, maintenance and repair of the cart fleet, explanation of city depreciation vs. private business, 3% discount on cash/checks payments.

A motion was made by Ken Pence, seconded by Chuck Berquist, to approve the season pass and cart barn rates as presented. The motion carried by the following vote:

Ayes:All Nays: None
