22-000292 NOTICE OF PUBLIC HEARING - Proposed Fare Policy Change

8. ESTABLISH PUBLIC HEARING FOR PROPOSED SERVICE CHANGE*Presented by James Seeks***22-000293 SUMMARY STATEMENT:**

The Cowlitz Transit Authority bylaws state that the CTA is to hold a public hearing to specifically solicit public comment on any change in transit service routes amounting to a change in excess of 20% of the total distance of any one route. Staff proposes a service change that fits this definition based on customer feedback and the inter-county transit service proposed by Twin Transit of Lewis County.

RECOMMENDED ACTION:

Establish a public hearing to be held at the June 8, 2022, CTA Board Meeting to receive public comments on the proposed service change.

James Seeks gave a brief PowerPoint presentation and report:

Key Points:

- Battery-powered buses can reduce the environmental and health risks associated with diesel buses;
- Advances in electric bus technology and a decline in battery costs have made E-buses a more attractive option. There are also potential maintenance cost savings;
- E-Buses are still an emerging technology. Reliability is inconsistent. Concerns include the battery charging systems and the buses themselves;
- The range is limited on E-Buses unless they are periodically recharged during the day;
- Fuel cost savings depend on transit agencies' favorable utility rate structures, including reduced off-peak energy rates and limited demand charges;
- Climate change funding is linked to Federal and State transit grants.

Next Steps:

- Eliminate the current diesel-only policy and shift future bus purchases from bio-diesel powered to hybrid diesel-electric powered;
- Continue to learn from the experience of other agencies with electric battery and hydrogen fuel cell buses;
- Work with the Fleet Manager on determining the infrastructure requirements to install plug-in chargers and wave induction chargers;
- Begin discussions with Cowlitz PUD on how to fuel an electric fleet economically;
- Look for grant and earmark opportunities to help fund the buses and infrastructure;
- Develop a transition plan leading to a 100% zero-emission fleet within 20 years.

**22-000221 SUMMARY STATEMENT:
Report on Electric Buses****RECOMMENDED ACTION:
Information only - no action required****22-000222 PowerPoint Presentation - Report on E-Buses****8. ELIMINATING REQUIREMENT TO PURCHASE ONLY DIESEL BUSES*****Presented by James Seeks***

A motion was made by Alexander, seconded by Wallis, to eliminate the diesel-only purchase policy. The board discussed the motion. The motion carried unanimously.

22-000223 SUMMARY STATEMENT:

In reviewing the presentation on electric-powered buses, staff discovered that the CTA Board had adopted a diesel-only bus purchase policy as part of the December 2010 Transit Enhancement Plan. An exception was included for purchases made with federally earmarked funds.

RECOMMENDED ACTION:

Review excerpted Minutes of December 2010 CTA Board meeting and determine to remove the diesel-powered bus only purchasing policy.

THEN:

Motion to eliminate the diesel-only purchase policy so as to allow for consideration of alternatively-fueled buses.

22-000224 Excerpt of Minutes from Dec 2010 CTA Board Meeting**9. MANAGER'S REPORT*****Presented by James Seek*s**

James Seek

s gave a brief report:

- The CDC and TSA extended the mask requirements for public transportation through May 3, 2022;
- Mr. Seeks stated that he was informed by Legal Counsel for the Transit Authority, Frank Randolph, of rule changes to the OPMA. Elizabeth Halili, Clerk of the CTA Board, is coordinating with the Longview City Clerk to ensure that the board remains in compliance;
- Despite major challenges to the insurance market, which have resulted in significant price increases, the Washington State Transit Insurance Pool remains on firm ground, with adequate reserves and excellent management and risk management practices;
- Mr. Seeks has been meeting with members of the Washington State Transit Association and WSDOT staff on new requirements in state transportation funding. The new transportation funding package includes developing a zero-fare policy for riders 18 and under and measuring the benefit of transit on overburdened communities within the climate transit programs account. Mr. Seeks will provide a more thorough update on the new package at the May 2022 meeting;
- A meeting will be held at Lexington School on April 20 from 4:00 p.m. to 6:00 p.m. to share the proposed Lexington Service Plan with the public and receive comments. The Lexington service will begin on Monday, May 2, 2022, and will be numbered Route 411;
- RiverCities Transit will be offering the public two fare-free days:
 - April 22, 2022 - Earth Day
 - May 2, 2022 - to celebrate the new Lexington Service

Morrie Christensen, Paratransit Services Manager, gave a brief report:

- Ridership has increased steadily over the past three months;
- Paratransit Services is hiring drivers. Flyers have been posted on buses, local websites, and the Paratransit Services website in Bremerton, WA.

10. ADJOURNMENT

With no further business to discuss, Vice-chair Wallin adjourned the meeting at 4:37 p.m.

RiverCities Transit Fixed Route Five Year Ridership Comparison

RiverCities Transit Paratransit Five Year Ridership Comparison

Comparison of Ridership Bus and Paratransit Ridership

Cowlitz Transit Authority

Agenda Summary

ESTABLISH PUBLIC HEARING FOR FARE POLICY CHANGE: ZERO FARE FOR AGE 18 AND UNDER

SUMMARY STATEMENT:

In compliance with Cowlitz Transit Authority Bylaws, the board is required to establish a public hearing to receive comments regarding any changes in transit fares.

The recently signed Washington State Transportation Resources bill (ESSB 5974), effective July 1, 2022, contains new language providing for a transit support grant program.

To qualify for the transit support grant, transit agencies must at minimum

- 1) Maintain or increase their current local sales tax authority, and
- 2) Have adopted a zero fare policy for riders 18 years and younger on all modes of service, and submit documentation of the policy to Washington State Department of Transportation by October 1, 2022.

In October 2019, the Cowlitz Transit Authority Board adopted Resolution 19-02, which established a three-year pilot program to provide free annual youth passes to kids aged 6 through 18 years old for use on RiverCities Transit fixed route buses from January 1, 2020 through December 31, 2022.

Although COVID has severely affected ridership, the free annual pass program has been a relative success, with 718 passes issued through April 2022, and 13,697 rides provided from inception through April 30, 2022.

To receive the transit support grant, the CTA Board would need to extend the program through at least June 2038 and include any individuals aged 6 through 18 who are qualified for LIFT ADA paratransit service. Children aged 5 and under already ride free when accompanied by a fare-paying rider.

To avoid preventing access, we would – similarly to ADA Paratransit identification – accept other transit agency youth passes, as well as other forms of identification, such as ASB cards and driver licenses, for a limited time until the rider can obtain a RCT Youth pass.

This proposed change in transit fare will be published for public comment on May 13, 2022, online at www.rctransit.org, on Facebook, and in paper copy at the Transit Center, Longview and Kelso City Halls, local public libraries, and onboard buses.

Staff requests the Board establish a hearing at the next monthly meeting to be held on June 8, 2022, to receive citizen input.

BUDGET:

The transit support grant amount received by RiverCities Transit may vary based on statewide ridership data and whether all transit agencies adopt similar policies. However, the current estimated distribution to RiverCities Transit is \$255,514 for the 2022 supplemental budget, and an estimated \$689,000 annually thereafter, depending additionally on State revenues and other factors. The transit support grant may be used for either operations or immediate capital spending.

RECOMMENDED ACTION:

Motion to establish a public hearing to be held at the June 8, 2022 CTA Board Meeting to receive citizen input on the zero fare proposal for passengers aged 18 and under.

ATTACHMENT:

Section 422 of ESSB 5974.

1 NEW SECTION. **Sec. 422.** A new section is added to chapter 47.66
2 RCW to read as follows:

3 (1) The department shall establish a transit support grant
4 program for the purpose of providing financial support to transit
5 agencies for operating and capital expenses only. Public transit
6 agencies must maintain or increase their local sales tax authority on
7 or after January 1, 2022, in order to qualify for the grants.

8 (a) Grants for transit agencies must be prorated based on the
9 amount expended for operations in the most recently published report
10 of "Summary of Public Transportation" published by the department.

11 (b) No transit agency may receive more than 35 percent of these
12 distributions.

13 (c) Fuel type may not be a factor in the grant selection process.

14 (2) To be eligible to receive a grant, the transit agency must
15 have adopted, at a minimum, a zero-fare policy that allows passengers
16 18 years of age and younger to ride free of charge on all modes
17 provided by the agency. Transit agencies must submit documentation of
18 a zero-fare policy for 18 years of age and under by October 1, 2022,
19 to be eligible for the 2023-2025 biennium. Transit agencies that
20 submit such fare policy documentation following the October 1, 2022,
21 deadline shall become eligible for the next biennial distribution.

22 (3) The department shall, for the purposes of the "Summary of
23 Public Transportation" report, require grantees to report the number
24 of trips that were taken under this program.

25 (4) For the purposes of this section, "transit agency" or
26 "agency" means a city transit system under RCW 35.58.2721 or chapter
27 35.95A RCW, a county public transportation authority under chapter
28 36.57 RCW, a metropolitan municipal corporation transit system under
29 chapter 36.56 RCW, a public transportation benefit area under chapter
30 36.57A RCW, an unincorporated transportation benefit area under RCW
31 36.57.100, or any special purpose district formed to operate a public
32 transportation system.

33 **Sec. 423.** RCW 46.63.170 and 2020 c 224 s 1 are each amended to
34 read as follows:

35 (1) The use of automated traffic safety cameras for issuance of
36 notices of infraction is subject to the following requirements:

37 (a) Except for proposed locations used solely for the pilot
38 program purposes permitted under subsection (6) of this section, the
39 appropriate local legislative authority must prepare an analysis of

Cowlitz Transit Authority

Agenda Summary

ESTABLISH PUBLIC HEARING FOR PROPOSED SERVICE CHANGE

SUMMARY STATEMENT:

The Cowlitz Transit Authority bylaws state that the CTA is to hold a public hearing to specifically solicit public comment on any change in transit service routes amounting to a change in excess of 20% of the total distance of any one route. Staff proposes a service change that fits this definition based on customer feedback and the intercounty transit service proposed by Twin Transit of Lewis County. The proposed change will be published for public comment on May 13, 2022, online at www.rctransit.org, on Facebook, and in paper copy at the Transit Center, Longview and Kelso City Halls, local public libraries, and onboard buses.

RiverCities Transit management recently met with Twin Transit, the Public Transportation Benefit Area for Chehalis and Centralia, and transportation representatives from Lower Columbia Community Action Program, Cowlitz Indian Tribe, Cowlitz-Wahkiakum Council of Governments, and Washington State Department of Transportation.

Twin Transit's goals include reconnecting the only public transportation gap along I-5 and serving the growing logistics industry developing in Winlock. Twin Transit has already extended fixed route service north along the I-5 corridor to Thurston County and now plans to do likewise to Cowlitz County, beginning in August 2022. The four round trips proposed by Twin Transit for each weekday do not link with the twice per day schedule currently serviced by Lower Columbia CAP at the Castle Rock Park & Ride located at Exit 49.

Twin Transit's goals present an opportunity for RiverCities Transit to propose a two-year demonstration project involving our service, which would link the Castle Rock Park & Ride and Visitor Center to Kelso and add a stop in downtown Castle Rock. The staff is ready to propose a service change entailing this project for public review and comment. If the Cowlitz Transit Authority declines to consider a service change, Twin Transit's initial proposal would have their service continue to the Three Rivers Mall. However, Twin Transit will cut proposed stops in Lewis County, and the Cowlitz Transit Authority will lose this opportunity to affect how well residents in the Castle Rock area are served.

RECOMMENDED ACTION:

Establish a public hearing to be held at the June 8, 2022, CTA Board Meeting to receive comments on the proposed service change.
