To Whom it May Concern:

R-28 was seen in my office today for a full hearing evaluation. He complained of difficulties understanding people in general unless they speak very loudly and directly at him. has constant tinnitus in both ears.

Otoscopic examination revealed clean canals, intact, and healthy tympanic membranes. An unaided sound field was performed prior to testing which indicated that only understands 12% of unaided speech.

Audiometric results of his test today show a binaural Normal to Severe Sensory-Neural Hearing loss. Given proper amplification, has the potential to understand 60% with his right ear, 68% with his left ear and binaurally he would understand 74%.

It is my recommendation that be fit with a binaural set of Audibel Arc AI 2400 receiver in canal hearing aids with absolute power receivers. The hearing aids will come with a three-year warranty and services and cost \$8,998. A quote is enclosed.

If you have any questions or need any additional information, please do not hesitate to contact my office.

Memorandum

TO: LEOFF-1 DISABILITY BOARD

FROM: DANA BECK, INTERIM LEOFF-1 ADMINISTRATOR

SUBJECT: R38 REQUEST FOR REIMBURSEMENT OF ADDITIONAL HOUR FOR IN-HOME CARE

R38 is requesting pre-approval of in-home care to increase from 40 hours a week to 56 hours a week (8 hours a day/7days a week). Currently R38 is approved for 40 hours a week at \$33.00 an hour, approximately \$1,320.00 a week or \$5280.00 a month. This would increase to \$1,848.00 a week or \$7392.00 a month, an additional cost of \$528.00 a week or \$2,112.00 per month

Action needed on this claim:

1. Make determination as to whether R38 qualifies for 56 hours of in-home care a week. Reimbursement of approximately \$1848.00 a week.

Documents included for review:

1. Original Request fom 4.27.22 meeting
2. Medical conculsion

TO: LEOFF-1 DISABILITY BOARD

FROM: KAYLEE CODY, LEOFF-1 ADMINISTRATOR

SUBJECT: R38 REQUEST FOR REIMBURSEMENT OF IN-HOME ASSISTANCE

R38 is requesting reimbursement for in-home care through Care Direct (formerly Elder Options). I spoke with the in-take coordinator – they could not prepare me an estimate in advance but advised that they estimated R38 will require 40 hours of care per week, 7 days of care per week, at a total of \$33 an hour (\$20 paid to the caretakers, \$13 for overhead and administrative costs) which totals \$1,320.00 per week of care, or approximately \$5,845.98 per month (based on 31 days). The family has agreed with this estimate, and I advised that if R38 were to need additional care hours, it would need to be presented to the LEOFF Board for pre-approval. The Genworth median monthly cost of in-home care is \$5,504 based on 40 hours of care per week in Longview (the closest cost comparable available).

Action needed on this claim:

1. Make determination as to whether R38 qualifies for the reimbursement of in-home care expenses (approximately \$5,845.98 monthly).

Documents included for review:

1. City of Longview LEOFF-1 Medical Report and Request for Long-Term In-Home Nursing Assistance – form completed by ARNP Amber Bruce of Peacehealth
