- RECRUITMENT OF NEW MEMBERS

Nancy shared that the Council has had some hot topics on their agendas, so we may not see any vacancies filled until the 2023 assignments.

- CALIFORNIA WAY PHOTOS

Morgan shared photos of the curb design on California Way showing the bike lanes transferring to the sidewalk for crossing to avoid large truck traffic.

Clark inquired about the cost of this design. Morgan will follow up.

- WASHINGTON WAY

30% plans are expected this week from the consultants.

- 30TH AVE & BEECH STREET

Morgan has started the initial design phase. Both are also about the 30% design phase.

- **NEW BUSINESS**

- PROJECT CONCEPT REVIEW – HUDSON STREET

Morgan Palmer shared the Hudson Street Project options. Option A was the preferred option in the Downtown corridor and possibly using Option B outside the downtown corridor.

From 3rd to 7th the turn lane into medical clinic is heavily used. A sharrow in this stretch might work best until funding is available to widen this stretch.

- **REPORTS**

- PROJECT LOOK-AHEAD

Next month we will discuss Olympia Way.

- **BOARD MEMBER COMMENTS**

Clark was unable to connect with Harvest Festival organizers prior to the event.

Clark mentioned that he saw kids unable to cross at 30th & Louisiana. This might be a good intersection for flashing lights.

- **EDUCATION TOPIC**

- **ADJOURNMENT**

Meeting was adjourned at 6:52 P.M.
