Address quality of place issues

CITY ATTORNEY REVIEW: REQUIRED

SUMMARY STATEMENT:

In 2015, a Donor Wall was erected at Maple and Commerce to honor donors who have given \$500 or more. There are 103 names on the wall. The Longview Outdoor Gallery was 100% donor funded and depended on those who believed in its mission. The Donor Wall is the final gift to the city and with it we extend our deepest thanks to each donor who believes in the power of art to transform communities. This monument not only stands as a symbol of the community's commitment but also ensures that their legacy will be honored into the future. The names etched into the donor wall pay a tribute to the belief in the enduring power of artistic expression and the truly giving nature of our community to make it better.

RECOMMENDED ACTION:

Motion to recommend to Council the acceptance of the donor wall into the City's permanent art collection.
