25-0019 **REVIEW OF COUNCIL MEETING 01.09.25**

• **REVENUE COMMITTEE RECOMMENDATION FOR 2025**

There was no action taken at the Council meeting. One suggestion was annexation. There was an open discussion on how we could accomplish an annexation of the properties to the South. There will need to be long talks with the stakeholders involved.

*How can we become a recreation destination? How do we attract people to come to town? Jen Wills provided some discussion topics.
Sometimes we need to spend monies to earn monies.*

There's a big desire to bring in our regional stakeholders for a big picture idea of how we can collaborate together.

We need to celebrate our wins - murals, squirrel bridges, and events at the golf course.

There's a desire to come back with a presentation that will bring ideas that don't burden the taxpayers. One idea is to sell a parking lot.

Future topics:

Metropolitan Parks District -Needs to be package, maybe with TBD. It is going to take a great deal of marketing.

Bring back a Fire District Study with a dollar amount.

6. UNFINISHED BUSINESS

7. PUBLIC COMMENT

Ramona Leber asked about a Levy shift. Annexation levy shift from County to City. Thanks for moving forward. Suggestion is to bring one item on the ballot at a time.

8. ADJOURNMENT
