-PUBLIC SAFETY (LPD)**

*Chief Huhta reviewed the budget.
Discussion included staffing needs, overtime, contract obligations, officer costs for events, shared officers with other agencies, insurance carrier options, and animal control moved out of Police Budget. Chris Collins provided an update on Federal Budget cuts impacts. We haven't been affected as of yet. All earmarks have currently been cut. Everything is still very fluid at the federal level. The biggest impact is to our HUD/HOME programs. Our current rep has been cut, so we are trying to reach out to a contact in Alaska. We are still holding onto funding for Columbia Heights at this time. No major cuts to any road projects.
Due to the Citizen Summit this evening, we paused at TELEPHONE 001.18.521.10.42.001 and will pick back up in April to review the remaining line items.*
