# Grant Opportunity

## Safe Streets for All (SS4A)

Public Works Sub-Committee

April 16, 2025

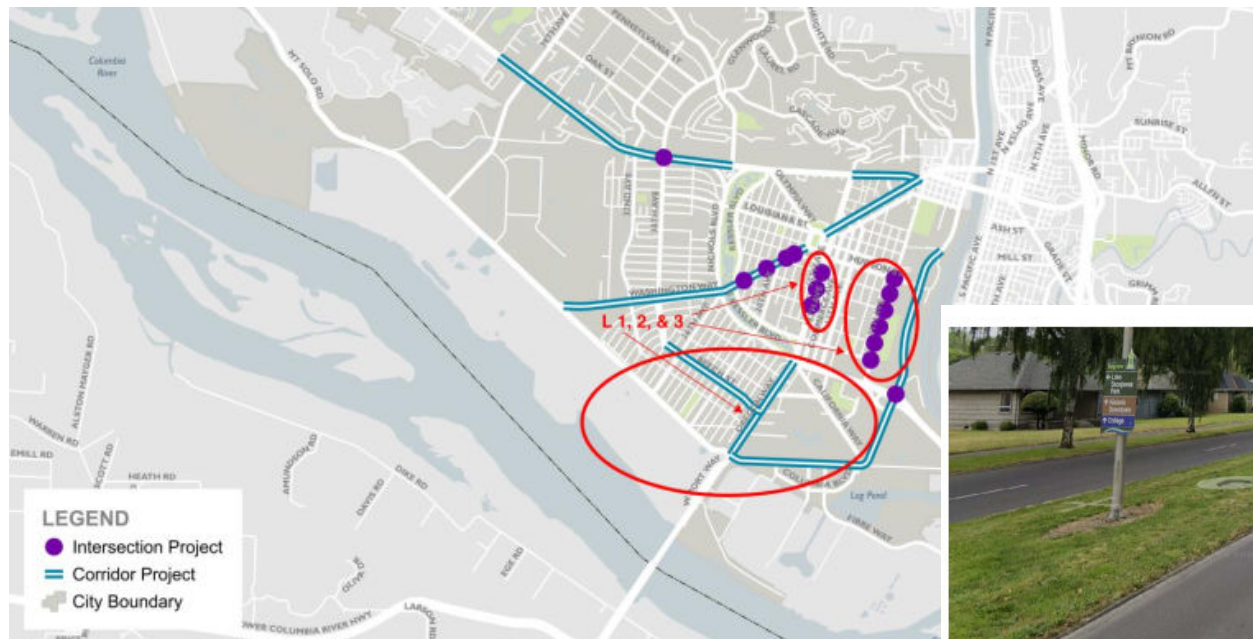

# SS4A Background

- Two types of grants:
  - Planning/Demonstration
  - Implementation
- Implementation Grants provide Federal funds to:
  - Implement projects and strategies identified in an **Action Plan**
  - to address a roadway safety problem.
  - Eligible projects and strategies can be infrastructural, behavioral, and/or operational activities.

The screenshot shows the U.S. Department of Transportation website. The header includes the DOT logo, the text "U.S. Department of Transportation", and navigation links for "ABOUT DOT", "PRIORITIES", and "CONNECT". There are also social media icons for Facebook, X, Instagram, and LinkedIn. Below the header, a breadcrumb trail shows "Home" and "Grants". A left-hand navigation menu lists: "SS4A Home", "About SS4A", "Press Releases", "Videos", "Webinars", "Resources", "FAQs", "How to Apply", "Eligibility and Requirements", "Awarded Projects", and "Grant Implementation". The main content area is titled "Safe Streets and Roads for All (SS4A) Grant Program" and features a sub-heading "The FY25 SS4A Notice of Funding Opportunity (NOFO) is Now Open". The text explains that funds for the fiscal year (FY) 2025 SS4A grant program are awarded on a competitive basis for planning, infrastructural, behavioral, and operational initiatives. It provides links to "View the SS4A NOFO", "Register on Valid Eval to apply for a Planning and Demonstration Grant", and "Register on Valid Eval to apply for an Implementation Grant". It also mentions that the FY25 SS4A NOFO is available on Grants.gov and provides a link to "View the SS4A Resources webpage" for application materials. A "Related Links" section is partially visible at the bottom, with the heading "Upcoming Webinars".

# CWCOG Comprehensive Safety Action Plan

Scheduled to be adopted by CWOG Board on April 26, 2025

[https://www.cwcog.org/wp-content/uploads/bsk-pdf-manager/2025/04/Revised\\_Final\\_CWCOG\\_CSAP\\_3-31-25.pdf](https://www.cwcog.org/wp-content/uploads/bsk-pdf-manager/2025/04/Revised_Final_CWCOG_CSAP_3-31-25.pdf)

**Oregon Way may be a good candidate for multimodal safety improvements, such as ADA upgrades, pedestrian crossings, and pedestrian-level lighting.**

# Oregon Way Project

## Goals:

1. Improve safety and accessibility
2. Increase quality of life for residents and businesses
3. Beautify the entrance to Longview
4. Pavement and utility maintenance

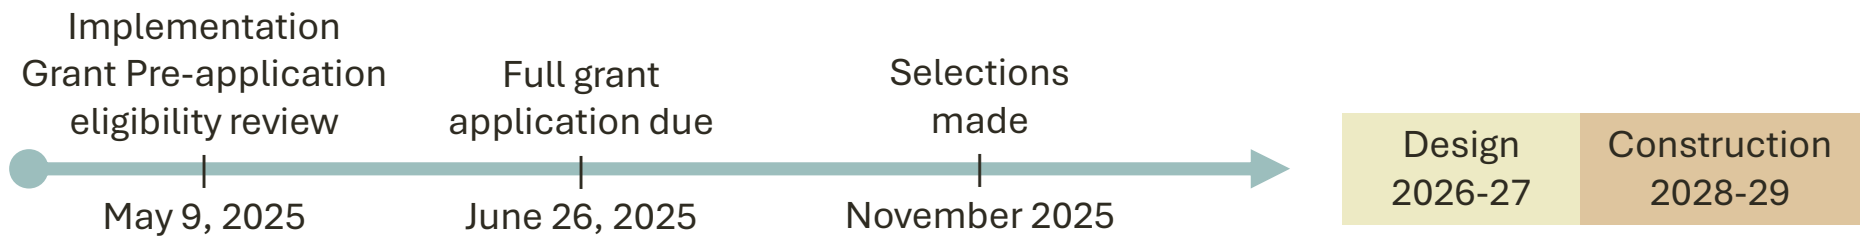

### **Potential Improvements:**

- 1) Pavement restoration from Beech St to Industrial Way
- 2) Intersection improvements at Alabama St
  - Improved pedestrian crosswalks and ADA ramps
  - Potential roundabout or signal
- 3) Lighting to increase visibility at night
- 4) Improved/widened sidewalk for multi-modal connectivity
  - Opportunity for trail crossing improvement
- 5) Median landscaping, “gateway to Longview”
- 6) Railroad crossing improvement
- 7) Utility upgrades (water, sewer, storm)

# Next Steps

1. Council concurrence
2. Preliminary Public Outreach for project scope
3. TIP Update

# City of Longview
