Keiko's report on Japan trip: Atomi will send eight students next trip. It process grew out of the sister city exchange programs with focus on LCC and Atomi. This is will be the 10th year. Commonly 10-15 students attend to program.

Wako Kokusai High School background was summarized by Keiko for our guest. They are determining if they can send an adult chaperon during spring visits or possibly changing the time to summer (last week of July, first week of August). This is in regard to a potential winter 2027 visit as it's too late to plan for this summer.

Meeting adjourned at 6:05 PM. Next meeting planned for January 14 at 5:15 PM.
